The ASA and AMHS Boosters present: the "Flock a Friend" Fundraiser!

Excited that Spring is finally here? We are too! What better way to celebrate than by bombarding our friends with pink flamingos! While we are at it, we can make a little money to support programs and enrichment at the Butler and Avon Middle-High Schools.

What is it?

The ASA and Boosters will accept orders within our Butler and AMHS community to "flock" your friends with pink flamingos. Each order will be $10 and includes putting 1 dozen flamingos on your friend's lawn for 24 hours, but look out because they can flock you right back! The flocking will be carried out by ASA and Boosters volunteers. Removal of flamingos is free of charge, so we ask that you not hurt our feathered friends.

How does it work?

Send in the order form below to the office at Butler or AMHS by May 27th (*at the latest*) with your donation. Sometime between May 23rd and June 10th, your friends will be flocked with a dozen pink flamingos!

We appreciate your sense of humor, but if you feel you don't have one...

That's ok, not everyone is interested in having a dozen flamingos on their lawn! Simply send the back side of this order form with your Family Name and address and the ASA/Boosters will not flock you. We will let your friends that want to flock you know that they will not be able to.

The fine print: We can only flock residential properties in Avon as we have cleared it with our Board of Selectman and other town officials.

Flock a Friend Order Form

Name of ~~Victim~~ Lucky Friend: _____

Address of ~~Victim~~ Lucky Friend: _____

Special Instructions:_____
(i.e., side yard, front yard)

Your Name: _____

Your Email/Phone: _____

***** Volunteers (flamingo wranglers) Needed *** Let us know if you are able to volunteer to help!**

Flock A Friend Questions:

What if I want to "flock" someone who doesn't live in Avon?

We will be happy to put a flock for an out of town family on the lawn at the Butler or AMHS with a sign noting who the flocking is for.

How will I know who "flocked" my family?

Every family that gets flocked will receive a flocking letter identifying the person who ordered the flocking.

How can I return the flocking if I didn't pre-order?

Send us an email, then send in your donation to school with your student by May 27th. As soon as we receive your order and payment we'll add your friends to the flocking schedule.

What does volunteering entail?

Any night during our three week fundraising time period you could go from house to house picking up flamingos and then flocking a new family. Each volunteer will get a complete schedule with a few houses including addresses and letters.

What are the flamingos like?

They are each 2 feet tall and they have thin metal rods that stick into the lawn.

What is a group of flamingos actually called?

A flamboyance of flamingos. How fun and spring-like is that? So much better than a murder of crows or an unkindness of ravens.

Thanks, but no thanks!

- Please don't flock my family:

Name: _____

Address: _____

Reason (optional):

- My lawn is too precious to participate
- I don't like the idea of pink flamingos on my lawn
- I don't want volunteers on my property
- I'm just not interested in participating
