Discussion

Went through the mail. Read various other board/committees' public hearings.

NOI - Harrison Blvd/ Pond Street Project

Mr. Goldstein from Mass Dot introduced himself and his two other colleague whom he will be working with on this project of safety improvement and expansion of the road near Pond street.

Mr. Goldstein would like to start in June 2020 to 2021 of the projects, as he shares out the plan of what the work would like and after. The plan will be done in stages.

Mr. Fitzgerald announce that this project is already scheduled through the town. There will be a special town meeting on the 24th about this project. Plans will be submitted by April 2020, along with right away certificates. Town hoping that the project will be go through spring of 2021.

CHA consultant – Environment- DP# 990176

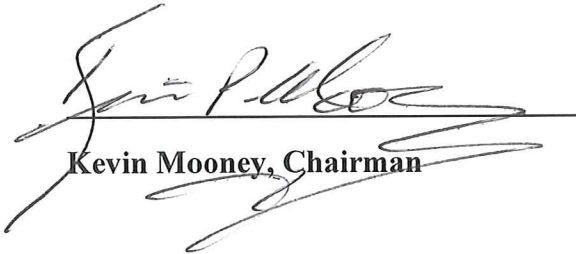

- Safety improvement
- Review areas of expansion – Pond Street
- Wetlands/Residential/ Industrial was taken in consideration for the construction.
- Stage in plans – Road of approval
- Widen the road to 10ft or so.
- Detour plan is involved for the traffic control- 2 lanes.
- Harrison Blvd work will be at night-time. Less traffic at that time.

Mr. Mooney address the standing condition of the plan, anything that falls on the road is cleaned up immediately. Mr. Mooney ask that pictures be submitted of wetlands before and after construction. Silk fence (9inch) to be used for erosion control.

A motion was made by Edward Mekjian, seconded by John Costa, to approve the order of conditions, with the standard conditions for the Harrison Blvd./ Pond Street Project with. Vote unanimous.

A motion was made by Edward Mekjian, seconded by Christopher Carducci to adjourn the meeting at 7:50 PM.

Next meeting scheduled on Thursday, March 12, 2020 at 7:00 PM.

Kevin Mooney, Chairman
