TOWN CLERK

APRIL 3, 2014

Avon Park and Recreation met at 7:00 with members Barbara Littlefield, Kathy McDonald and Matt Doucet present.

Minutes from the February 6th and March 6th meetings were reviewed and approved as recorded.

FIELDS/PLAYGROUNDS

Matt held off on ordering the fence caps for Crowley, because the shipping would have been \$600.00. If Crowley field remains as wet as it is P & R may have to ask Little League to postpone their opening day. A new sign for the Lundgren Playground has been ordered and should be coming in soon. Kathy is working on getting a price quote for picnic tables for the Lundgren play area. Some of the fences at Crowley are leaning due to frost heaves. They may need work after the frosts are over.

Little League will be asked to turn in the two remotes for the score board at Crowley. P & R will then reissue them. This will give us a way to keep track of them.

The Commission reviewed a **field request** from the Dodger's, a men's league. Matt motioned that the request be approved, Kathy 2nd the motion with all members in favor.

Matt reported that J. Aiello has been contacted to roll Noonan Field. The cost will be \$400.00. The Commission also decided to ask him to do the softball field, weather permitting. It was noted that the Commission does not want stone dust on any of our fields.

SUMMER PROGRAM

We have not had any responses to our ad for the summer program director's position. Liz Doucet has emailed Kathy expressing interest in returning as the director.

MISC

Family movie night will be on August 16th.

A sign in sheet will be created for use of the popcorn machine, hotdog maker, sno-cone machine and cotton candy maker. The sheet will reflect the date/time of use, who will be borrowing the equipment and who from P & R gave the approval. The sheet will be left at the Civic Center on a clip board. Everyone will be expected to sign in.

Linda Chute requested use of the equipment for a Relay of Life event on June 8th. The Commission approved her request.

Matt spoke with the town computer person, Geno, to request email addresses for the Commissioner's, that can be used on the towns website.

Our next scheduled meeting will be on April 24th.

Respectfully submitted,

Carol Geary, Secretary
Avon Park and Recreation Commission
