The board tabled discussing the ACT summer fundraiser until our next meeting

We are still waiting for the return of our key for the storage shed. Michelle will be notified to call Mike when they are about to leave after cleaning up on Sunday. He will meet them. He also has their final checks. At that time they can give Mike the money from the ticket sales and a copy of the invoice for the \$300.00 backdrop rental.

The Commission discussed hiring a summer program director as Kristin is unable to return for this years program. Kathy suggested that Anne Littlefield be contacted as she was a prior SP director.

The SP will be held at the Butler school again this year. The POD will need to be ordered the last week of June. A permit thru the town is necessary.

Telephone pole across from Miller Tracy playground

Tennis court

Municipal parking lot

Crowley field

Kathy and Glenn will try to be available to go around town with the company installing the cameras to show them the hot spots.

**NETTING FOR BACK STOP AT NOONAN FIELD**

We only have one estimate for the project and still need 2 more before we can proceed, because the project is over \$10,000. Kathy will try to put the job on Mass.gov to see if we can get any more estimates.
