Discussion

The Planning Board members and applicant, Waste Management previously had an informal meeting to discuss their request for information for Site Plan review and a Special Permit under Section 255-5.4 for the proposed work in the Water Supply Protection District. At this meeting it was discussed that since there were minimal changes made to Site Plan Review, the petitioner may write a letter asking for a waiver of full Site Plan Review. The Planning Board members discussed and clarified any questions and concerns regarding the proposed project.

Chuck Comeau, Chair discussed the letter received from Nathiel Egosi, President of RRT Design & Construction on behalf of their client Waste Management regarding the proposed storage container containing the new fire rover unit stating that it will not result in any of the following:

1. Involve the handling of toxic or hazardous materials in quantities beyond normal household use.
2. Result in a one percent or greater reduction in groundwater yield of the public wells in the district.
3. Result in pollution from sewage waters, stormwater runoff or other liquid or water-soluble materials that would reduce the affected aquifers or streams to below drinking water standards or otherwise reduce the quality of water available in the public wells in the district or in downstream surface waters supplies.
4. Result in the violation of underground injection control regulations under 320 CMR 27.

Motions

Robert Pillarella made a motion to waive full Site Plan review for 40 Ledin Drive as presented, per the letter from the applicant since there is minimal changes regarding Site Plan review seconded by the Jason Suzor, Jr. No discussion on the motion. All in favor. The motion carries.

Jason Suzor, Jr. made a motion to approve the Special Permit under Section 255-5.4 for the proposed work in the Water Supply Protection District with the installation of a self-contained compressor skid package with weather enclosure and two air storage tanks located to the northeast of the building, seconded by Robert Pillarella. No discussion on the motion. All in favor. The motion carries.
