The Avon Public Safety Building Committee met at Town Hall on Tuesday evening, May 26th, 2015, at 6:30 p.m.

The meeting was called to order at 6:35 p.m. by Tracy Self. She said the agenda for the evening would be two-fold:

- 1.) Approve the Meeting Minutes of February 25th and April 22nd, 2015.
- 2.) Discuss the upcoming Annual Town Meeting, which will be held on Tuesday, June 9th, 2015.

Tracy asked the Committee if anyone had any questions or comments on the Meeting Minutes she had sent out. There weren't any so she asked for someone to make a motion to approve the Meeting Minutes. Jason Suzor made the motion to approve them and Elaine Dombrosky seconded the motion. The Committee then voted unanimously to approve them as read.

Tracy then brought up the next item on the agenda, the upcoming Annual Town Meeting and what potential questions the townspeople might have for them.

Here are some of the talking points the Committee discussed:

- ✓ Having Carl's PowerPoint slide show in the hallway as the people walk in showing the old Fire / Police Station and what it looks like today
- ✓ Getting "others" besides the Committee to speak at the Meeting in favor of the new Public Safety Building

- ✓ Putting the boards up for everyone to see what the new facilities would potentially look like
- ✓ Have the two Chiefs speak on why they need a new facility
- ✓ Tweak the flyer they already have
- ✓ Be prepared for potential Questions and Answers that have already come up at the Coffee Hours such as:
 - Every possible place had been looked at
 - No relocation costs
 - The conceptual drawings are not finalized
 - They will do the Police building first and the Fire second
 - The first year will be for designing the buildings, and then they will deal with permits, conservation, etc.
 - Not having the two departments together will save money

When there were no more items to discuss, Tracy said she would be in touch with everyone after the Annual Town Meeting with the next meeting date.

The meeting was adjourned at 7:00 p.m.
