

Single Stream Recycling

WHAT IS SINGLE STREAM RECYCLING?

Single stream recycling is when all the items that we recycle go into the same container. *There is no longer any reason to separate the glass, plastic, paper, boxes and put them into separate containers...* Just put all the items into one container. The recycling facility separates the items.

ACCEPTABLE ITEMS:

***Please rinse out all food containers!**

- 1.) Separate trash from recyclables to avoid confusion. Place all recyclables in the recycling bin.
- 2.) If there are more recyclables that will fit in the container, place them in a suitable, clearly labeled receptacle which can be readily identified for the collectors.
- 3.) Trash and recyclables must be placed at curb side before 7:00 a.m. on your regular scheduled collection day.
- 4.) If collector leaves items in the bin, it is because they are not recyclable. Please put them in your regular trash.

For the most updated information see our website at www.avonmass.org.
