Avon Park and Recreation met at 7:00 with members Barbara Littlefield, Glenn Fernald, Kathy McDonald and Mike Lawler present. Minutes from the June 23rd meeting were reviewed and accepted with changes.

SUMMER PROGRAM: The board discussed how difficult it was this year to get new councilors hired and on the payroll. Barbara is working on creating a new hire packet containing all the necessary paperwork and information we will need to avoid this problem next year. The teen night on July 10th was a success with 25 kids showing up to make your own sundae. The Commission discussed instituting a cap for the Summer Program registration fee for families with more than 2 children attending the program. Carol will email Carl to check on the date to have the portable restrooms removed.

LUNDGREN PLAYGROUND: Recently there has been vandalism to the Lundgren playground. Many bolts were removed from the equipment. Childscape has ordered replacement bolts to make the repairs. Avon Police Dept was notified of the vandalism.

FAMILY MOVIE NIGHT: The Avon Civic Assoc and P & R will be sponsoring this years movie night. The movie being shown is Chitty Chitty Bang Bang. The evening will start at 5:30. The Commission will provide sno-cones and popcorn.

FIELDS: TJO Sports never followed up on their request to use Noonan and Crowley fields for a baseball clinic. Kathy has not been getting a response from Ron Zimmermann regarding field work. The board will ask Carl to check with Holbrook to see who they are using for the work.

STOYAC: STOYAC will be given the ok to hold their signups at the Civic Center, on September 14th. Aggie will continue to be our liaison to STOYAC this year.

ACT PROGRAM: Mike suggested that we thank Christyn's church for allowing the ACT program to use their church hall for rehearsals for Seussical. It is most appreciated. Barbara motioned that we send them a thank you note and \$100.00 check for use of the hall. The play is next weekend. Kathy will open the school for them to use for the 2 rehearsal nights.

MISC: Kathy is still waiting for a response from the company installing the security cameras as to their recommendation for the placement of the cameras.

Respectfully submitted,

Carol Geary, Secretary Avon Park and Recreation
