7:00pm-AMHS Media Center

TOWN OF AVON
2015 OCT -2 AM 9:25
TOWN CLERK

Committee member in attendance: Jeanne Martineau, Laura Horowitz, Lori Fischer

The meeting began at 7:05pm.

The minutes for the meeting held January 7, 2015 were read and approved.

Committee members reviewed materials and presented researched information regarding other regional school systems in the state.

A discussion was held and the committee members composed a letter of invitation/interest to selected area communities to see if there is any interest in a possible regional school system with Avon. It was decided that letters would be sent to the following towns: Holbrook, Braintree, Abington, Canton, West Bridgewater, and Easton. Brockton and Randolph were discussed but were decided against. The reasons were the large student population and there are many students leaving those systems to come to Avon under the choice program. The town of Sharon was also discussed but was also decided against due to being geographically unsuitable. The letters will be mailed out by Member Fischer.

The meeting was adjourned at 8:00pm.

Next meeting to be determined.
