Keolis

A letter is being drafted to be sent out to DEP and everyone on the commission will be CC on the email before it is sent out to ensure all concerns are addressed.

Collins Engineering

Peter Lyons from Collins engineering propose to do a repair on 67 Freeman street the last house on the right. The house is on a major slope that is in front of the wetlands. Want to move the new septic system west to accommodate the major slope. There was no approval on the project from board of health. Wanted the commissions input before moving forward with the project. The standard procedures making sure the work site is clean and anything that falls into the road cleaned up immediately.

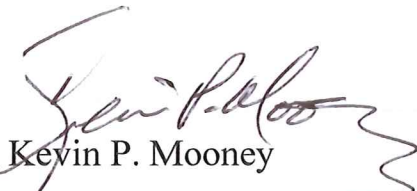

Central Street

The town received a million dollar grant to add a sidewalk, and bike lane and renovate Central St. Some of the roads will become narrow but will stick to the 11 ft travel lanes. The sidewalk and bike lanes can be shared if need be. TL Edwards is the contractor working on this project has reached out to the police offices, the fire department, ambulance and other surrounding towns to advise of potential make any detours during construction.
