- **Halloween**

The Board discussed whether trick-or-treating should be canceled or not. The concern the Health Agent had was that if surrounding communities were canceling, then Avon would have an influx in trick-or-treaters. Health Agent checked with Holbrook, Randolph, Stoughton and Brockton, no one is canceling trick-or-treating. Board suggests anyone who does not want to have trick-or-treaters come to their door turn their front porch lights off. If you do wish to partake in trick-or-treating, you must respect those houses with the lights off and follow the CDC and DPH guidelines. The health agent will put guidelines together for the residents of Avon. Trick-or-treating hours will end at 7:00PM.

Mr. Ogilvie made a motion to allow trick-or-treating, ending at 7:00PM with the understanding that if families don't want to partake, leave their lights off, and those participating to following the guidelines and wearing masks. Mr. Jensen seconded, all in favor.
