NOVEMBER 13, 2018

The Avon Park and Recreation met at 6:30pm with members Carl Fischer, Ben Chapman, Dan Hart, Stephen McCarthy and Jennifer Mayo present.

Minutes from the October 23, 2018 meeting were reviewed and approved.

MILLER TRACY PLAYGROUND

The board discussed creating a walkway for the high school students that will lead them directly to Page street, eliminating the need to walk through the playground. It would be located behind the shed and would require moving the swings a few feet in to allow enough room. Dan discussed the possibility of adding a fence to separate the playground from the walkway. He will look into getting quotes on how much that will cost. After Dans recommendation at a previous meeting, Carl will draft a letter to the Town Administrator requesting to add a light to the Page Street telephone pole that will shine across in to the Miller Tracy Playground for more visibility.

BUTLER PLAYGROUND

Dan has been in contact with Tim from Childscape regarding improvements to the Butler Playground. New parts have been ordered to repair the bolts on the tower.

SECURITY CAMERAS

Steve read an email to the board regarding the approval of security cameras in the town. The Park and Rec department would like to get on the Board of Selectman's agenda to request 2 cameras for the Miller Tracey Playground.
