SUMMER PROGRAM

Jen will be updating the job descriptions for the SP councilors during the course of the program.

Due to lack of communication between the town administrator and Park & Recreation board, we are unable to hire the SP councilors at the states minimum wage of \$11.00.

So far there are 130 children signed up for the Summer Program.

FIELDS/PLAYGROUNDS

Carl got an estimate from Childscape to purchase 2 picnic tables without shade structures for \$2,245.61. Carl also noted that we should start planning on adding another piece of Early Childhood style equipment to the Lundgren playground. If the equipment is purchased through Childscape they maintain the equipment for life. Barbara motioned that we purchased the 2 picnic tables only at this time. Stephen 2nd the motion with all members in favor. We can always add the shade structures in the future.

Nancy Cutts has offered to clean and plant Kim's garden at the Miller Tracy playground. Barbara motioned that Nancy be given an ok to work on the garden, Ben 2nd the motion, with all members in favor.
