All references to "\$10,000 Bid Deposit" to be changed to "10,000 Bid Bond"

Question received as follows.

Q1: Please confirm that the bid is for 2 sperate locations on the tank for two different carriers.

A1: The RFP is making two locations available for mounting communications equipment. It does not differentiate whether that would be 2 different communications carriers, however each bid shall be for the particular location the proposer is requesting consideration of. If one proposer wants to use both locations, they must submit two separate proposals.
