

Avon 2040 -- Make your voice heard

Avon 2040 Master Plan, sponsored by the Selectmen and the Planning Board, will help guide Avon for years to come.

What do you think Avon's plans should be?

A multidisciplinary team (transportation, planning, sustainability, economic development) from the Architects Foundation and the UMass Center for Resilient Metro-Regions is donating the time to help kickoff **Avon 2040** (the full plan comes in early summer).

Your voice is critical. All are welcome.

Help us understand your vision and your values for Avon.

6:00 pm Tue. Sept. 26 public workshop

Senior Center, 65 E Main St., Avon

Free refreshments and random drawing for gift cards

6:00 pm Thur. Sept. 28 see and hear the results of the kickoff

Mary T. McDermott Room, Avon Town Hall, 65 E. Main St.

Free refreshments and random drawing for gift card

- Draft strategy available in November, representing what **you** tell us and the team recommendations for town consideration.
- Additional winter/spring forums on the full master plan to be announced.
- Final master plan available in early summer.

Public forum results and plan development will be at www.resilientmetro.org/Avon.html

For questions or comments if you can't attend the public forum: WFeiden@UMass.edu
