Reorganizing the board was postponed until we have a full board present.

FIELDS/PLAYGROUNDS

Dan is working on getting the needed parts for Miller Tracy playground.

The chalk and conditioner Carl ordered has been delivered. He will advise Little League and the high school Athletic Director to use the conditioner rather than quick dry.

The board reviewed a complaint from a resident that they feel the tennis courts are unsafe due to the frost heaves. The resident also asked when will the nets be going up. Nets have not been put up due to the posts needing to be repaired. The board reviewed a price quote from New England Seal coating of \$3,000.00 to reset the pair of posts. The quote includes parts and labor. The tennis court asphalt surface also needs to be done.
