For the Year Ending December 31, 2013

IN MEMORIAM

Avon has been blest to have many dedicated citizens whom have given of their time and talents to serve the town. Their sacrifice is not forgotten, but rather is remembered with gratitude. Without their contributions Avon would not be the great place to live and work that it is. The community mourns the passing of these outstanding and devoted citizens.

REPORT OF THE BOARD OF SELECTMEN

Clerk Steven P. Rose, Chairman Francis A. Hegarty, Associate Robert F. Brady, Jr.

As the song says: "It was a very good year…"

2013 proved to be a great year as our Town celebrated its 125th Anniversary. A very dedicated group of volunteers, led by Co-Chairs Paul Chute and Ray Gouthro, worked tirelessly throughout the year to create a terrific program for all to enjoy. On behalf of all the residents of Avon, we wish to thank this committee for all the time, energy and talent in planning and executing a wonderful series of events to recognize this special anniversary. You did ``Avon" proud.

The past year has presented some challenges and some opportunities and, as with most situations, the results have been somewhat rewarding for the Town.

Commercial growth within the Town has been limited in recent years. However, this past year a number of projects started which will significantly add to the commercial tax base. The addition of Restaurant Depot to our Industrial Park and the beginning of additions to AccuRounds and Wal-Mart signal an emergence from a stalled economy towards an optimistic view of growth for the community.

Avon has a considerable commercial and industrial tax base and must strive to not only maintain this economic base, but enhance the situation to allow local companies to expand without leaving the community. Improvements to our Industrial and Commercial Parks are needed to maintain and attract businesses to Avon, thus allowing our tax base to grow. To this end, the Board of Selectmen has strived to develop a working relationship with the Avon Industrial Park Association. Together we hope to promote solutions to the concerns of local business and build a plan to allow these companies to grow and prosper here in Avon.

The challenge for our community is to plan for the future, knowing that our growth both in residential and commercial areas has reached near capacity. This fact will limit growth of the tax base and present significant problems as the cost of providing services continues to rise. Solutions to this dilemma will cause the Town to re-evaluate priorities and become creative in providing those services which impact the quality of life important to our citizens. Possible ideas include ways to provide sewerage in the commercial and industrial areas, thus allowing

expansion of that important tax base. This would be done through creation of a self-sufficient sewerage district paid for by the participants.

The need to participate in regional consolidation of services is also a serious consideration for the future of the Town. The need to economically provide municipal services must be carefully balanced so that the level of service is not just maintained but improved in any proposal considered.

The first step in this process has already arrived as the Town has recognized that the financial costs of operations will soon outstrip the revenues available to pay for overall operations. By recognizing this fact we have begun the discussions which will lead to a solution. Avon continues to be a fiscally sound and well run community—the envy of neighboring communities. Preparing and planning for the future is inherent in continuing sound fiscal management.

Over the past year the Board of Selectmen and the Board of Water Commissioners have worked to conclude the unpleasant situation of litigation between the Commonwealth and the Town. We are happy to report that an amicable settlement was reached with the Department of Environmental Protection. This agreement considerably reduces fines to the Town and puts in place a new monitoring system in the Water Treatment Facilities. The state will continue to monitor the Water Department over the next three years and if no problems or violations of are found the case will be closed. We look forward to resolving all of the issues brought forward through the implementation of new operational standards and the installation of new equipment.

The Pond Street drainage and reconstruction project remains at a completion of 97% due to the bankruptcy filing of the contractor. The Town has been working with our legal counsel and representatives of the company to resolve remaining issues to complete the project. The Town remains well in control of the situation due to the large retained payment fund withheld from the contractor. It is the belief of the Town that this matter will be settled amicably and the project completed in the spring of 2014.

Planning is well under way for the creation of the new Department of Public Works, as voted by the last Annual Town Meeting and approved by the State Legislature. On July 1, 2014, the Highway Department and the Water Department will officially merge to create this new department. At that time the Board of Water Commissioners will cease to exist. Responsibility for the operations of this department will be under a new DPW Director as required in the enabling act approved by Town Meeting.

Another major change in Town governance will be the retirement of current Town Treasurer/Collector Jean Kopke, who has notified the Board of Selectmen of her 2014 retirement. The implementation of the Treasurer/Collector position has gone extremely well and is testimony to the efforts of Ms. Kopke to insure a smooth transition. We thank her for all of her efforts on behalf of the Town to assure our financial assets are well managed.

The infrastructure of the Town has seen many improvements both in road work, water system improvements and school building additions and alterations. Although these improvements have been completed, we are still faced with a number of crucial improvements to roads and a much needed solution to our Public Safety Building woes. The citizens of Avon have been very supportive of the past improvements and it is the hope of the Board of Selectmen that in the very near future a consensus will be reached on how the Town may approach these few remaining items.

The Board of Selectmen wishes to thank all of the elected and appointed officials of the Town and our dedicated Town employees of all departments for their efforts on behalf of the citizens of Avon.

Although there are many challenges going forward, Avon continues to work on the issues before it and can take pride in being a great community in which to live, work, go to school and do business.

May the next One Hundred and Twenty-Five years be as fruitful. God Bless Avon!

Respectfully submitted,

Francis A. Hegarty, Chairman

E. ELECTED AND APPOINTED OFFICIALS
Listing of all 2013 Elected Officials
Listing of all 2013-2014 Appointed Officials

This is my final year as Town Clerk. I have resigned the position effective with the Annual Town Election to be held on April 8, 2014. I have one year left on my current term. The new candidate will take office for one year and then run again next year for a three year term. I have

been Town Clerk for the past 14 years and have worked for the Town for more than 35 years. I have enjoyed my service with the Town and am looking forward to my retirement.

This was a very busy year for the Clerk's office. We were anticipating only our Town Election and Annual Town Meeting. Due to the resignation of Senator John Kerry, who left his position to become the Secretary of State, a Special State Primary as well as a Special State Election was held. In addition, we had several Special Town Meetings as well as a Special Town Election to deal with some Prop 2 ½ Override issues.

Our Annual Town Election was held on April 9, 2013. We had a total of 393 votes cast. There were no contested offices on the ballot. There was a Proposition 2 ½ question on the ballot. The question was in regards to allowing an override to fund the Ralph D. Butler Parking Lot costs outside of the constraints of Proposition 2 ½. This project was approved at the Special Town Meeting held on February 11, 2013. The question failed.

On April 30, 2013 a Special State Primary was held and a Special State Election held on June 24, 2013. The election was held to fill the seat vacated by Senator John Kerry.

A Special Town Meeting was held on February 11, 2013. Prior to our Annual Town Meeting on May 7, 2013, we held a Special Town Meeting. A Special Town Meeting was held on June 24, 2013 in an attempt to reduce the appropriations made at the Annual Town Meeting as those appropriations had put the town over the levy limit. While some items decreased others increased resulting in the Selectmen calling for a Proposition 2 ½ Override Election to reduce the Fire Department's Salary line item by $320,000. The Election was held on September 10, 2013 and the override failed. Another Special Town Meeting was held on September 16, 2013 to reduce the annual appropriation by $320,000.

A special thanks to our poll workers: Jo Holmes, Margaret Cain, Peg Rudy, Norma Mercuri, Joanne Grenham, Sue Doucet, Patricia Olson, Carol Geary and Julia Fasano. Also our Election Warden, Bernie Baher, and Charles Vuytowecz, our Deputy Warden. I would also like to thank the office staff: Carla Mazgelis Costa, and Sally Theil, who are available to relieve the poll workers and to staff the office. A special thanks to the Highway Department who help set up and take down the election polls. A special thanks to Deb Morin, Town Accountant, who is always available to assist me in the many duties involved in running an election.

The Town voted at our Annual Town Meeting to withdraw from the Norfolk County Dog Program and to issue our own licenses. We are now sharing an Animal Control Officer with the Town of Holbrook. This has proven to be a good arrangement. We have been able to fine those who do not register their dogs and in the future we will be issuing court citations for dog owners who do not respond to the notification that they have not registered their dogs. We send out a notice when sending out the Census that **dog licenses are due January 1st of each year.** We also send out second reminders to all dog owners that have not as yet licensed their dogs. The Town has a by-law, which states a $25.00 fine will be levied against anyone who has not registered their dogs by the last day of May. This by-law is being strictly enforced.

The Census, which we send out each year, continues to be a big undertaking for the small staff in our office. However, the Annual Census is very important. The numbers and information obtained in the Census is used for many things including state funding, school census, voter lists, street list, as well as proof of residence. I believe that we fail to capture many residents with our local census and this greatly reduces our population numbers, which is the base for many funding

issues. It has also come to our attention that many residents do not list their children on the Census. Everyone living at an address should be listed. The data for our younger residents is protected and we do not give out this information except to our local schools. We urge all residents to correct any errors they find and sign and return the census to us as soon as possible.

I would like to take this opportunity to thank Carla Mazgelis Costa, the Assistant Town Clerk, Sally Theil, who is the staff member responsible for most of the office work in the Town Clerk's office and Christine Clifford, our receptionist, who is also responsible for registering voters, issuing copies of birth, death, and marriage certificates, and registering dogs. Christine also has the duty of keeping our website updated. This office has a small staff that works hard and supports each other to assure that the many and often complicated duties of this office are accomplished in a professional and efficient manner. Because Avon is a small town with many part-time departments, the office staff is often called upon to handle work outside of their usual duties and they do this efficiently and willingly. That is the reason this office runs as smoothly and as well as it does.

We continue to work with the new State system for births. This system will eventually allow our office to produce a birth certificate for anyone born in Massachusetts. We are using the new system to register and produce birth certificates for Avon residents. In the coming year death certificates will be added to this system. There is presently legislation being voted on which will alter some of our current voting laws. State is continually enacting new laws and regulations which have to be followed and this presents a constant challenge to the State's Town Clerks and their offices.

Respectfully submitted,

V. Jean Kopke
Town Clerk

TOWN OF AVON

SPECIAL TOWN MEETING
Tuesday, May 7, 2013
7:00 o'clock in the evening at Avon Middle/High School

Moderator Staffier called the meeting to order at 7:00 p.m. and called a recess until the required quorum of 75 is met. The meeting reconvened at 7:15 with the required quorum present. Moderator Staffier asked Selectmen Hegarty to lead the meeting with the Pledge of Allegiance. A moment of silence was held for all our Servicemen in harm's way and for everyone affected by the Boston Marathon bombing.

The Moderator called for Article 1.

Article 1: To see if the Town will vote to approve the monetary items in an agreement between the Town of Avon and the American Federation of State, County and Municipal Employees, Local 1395, Council 93, AFL-CIO; or take any other action in relation thereto. **WITHDRAWN**

Article 2: A motion was made and seconded and **VOTED IN THE AFFIRMATIVE BY THE MAJORITY** to approve the monetary items in an agreement between the Town of Avon and the Avon Police Relief Association (I.B.P.O.) Local 383 Avon and to transfer from free cash Fourteen Thousand Dollars ($14,000.) to defray the costs of said agreement for the period of July 1, 2011 through June 30, 2012.

Article 3: A motion was made and seconded and **VOTED IN THE AFFIRMATIVE BY THE MAJORITY** to amend the Town of Avon Zoning Bylaws, as follows:

(a) By adding a new Section XIV, Interim Regulations for Medical Marijuana Uses, to ready as follows:

Interim Regulations for Medical Marijuana Uses

14.1 Purpose

This Section is intended to provide restrictions that will allow the Town adequate time to consider whether to allow facilities associated with the medical use of marijuana, to the extent that such facilities are permitted under state law and regulations, and, if so, where and under what conditions. Given that a law permitting the medical use of marijuana in the Commonwealth of Massachusetts shall be in effect beginning January 1, 2013, and that the Massachusetts Department of Public Health has yet to promulgate the regulations by which facilities that produce or dispense medical marijuana shall be registered and administered, a restriction on the establishment of such facilities in Avon shall provide the opportunity to study their potential impacts on adjacent uses and on the general public health, safety and welfare, and to develop zoning and other applicable regulations that appropriately address these considerations consistent with statewide regulations and permitting procedures.

14.2 Definition

A Medical Marijuana Treatment Center shall mean any medical marijuana treatment center, as defined under state law as a Massachusetts not-for-profit entity that acquires, cultivates, possesses, processes (including development of related products such as food, tinctures, aerosols, oils or ointments), transfers, transports, sells, distributes, dispenses, or administers marijuana, products containing marijuana, related supplies, or educational materials to qualifying patients or their personal caregivers, which is properly licensed and registered by the Massachusetts Department of Public Health pursuant to all applicable state laws and regulations.

14.3 Exclusion of other Marijuana Uses

Any establishment that acquires, cultivates, possesses, processes (including development of related products such as food, tinctures, aerosols, oils or ointments), transfers, transports, sells, distributes, dispenses, or administers marijuana, products containing marijuana, related supplies, or educational materials to qualifying patients or their personal caregivers shall not be permitted if such establishment has not been properly registered and licensed in accordance with applicable state and local laws and regulations, or is not operating as a not-for-profit entity, or otherwise fails to meet the definition of a Medical Marijuana Treatment Center.

14.4 Exclusion of Accessory Uses

In no case shall the acquisition, cultivation, possession, processing, transference, transportation, sale, distribution, dispensing, or administration of marijuana, products containing or derived from marijuana, or related products be considered accessory to any use.

14.5 Interim Restriction

14.5.1 Medical Marijuana Treatment Centers shall not be permitted in any zoning district in Avon as long as this Section 14 is effective, as set forth in Section 14.6 below.

14.5.2 The cultivation, processing, sale, and distribution of marijuana, products containing or derived from marijuana or related products shall not be permitted in any zoning district in Avon as long as this Section 14 is effective, as set forth in Section 14.6 below.

14.6 Expiration

This Section 14 shall be effective through May 15, 2014.

(b) Amend the Table of Contents to add Section 14, Interim Regulations for Medical Marijuana Uses.

A motion was made and seconded and **VOTED IN THE AFFIRMATIVE TO ADJOURN.** The meeting adjourned at 7:27 p.m.

Respectfully submitted,

TOWN OF AVON

SPECIAL TOWN MEETING
Monday, June 24, 2013
7:30 o'clock in the evening at Avon High/Middle School

Moderator Staffier called the meeting to order at 7:41 p.m. the required quorum of 50 being present.

Moderator Staffier requested the Board of Selectmen to present Article 1 and to explain the purpose of the Article. Voter Barbara Littlefield called for a point of order. She stated she felt it was an illegal meeting as two money Articles from the Annual Town Meeting were left off this warrant. They were the two articles dealing with the Stabilization Fund. Mr. Staffier stated he would allow the meeting to proceed. Chairman Hegarty addressed Ms. Littlefield's question and stated that the purpose of this meeting was to address appropriations being above our levy limit and since Stabilization does not affect the levy limit these two articles were not included. Eric Beckerman, Chairman of the Finance Committee further stated that the funds put into the Stabilization account were the remainder of the free cash from the previous year and were not available to use in the FY14 Budget. He stated that they were advised that the funds could be put into Stabilization at the Annual Town Meeting and this is why it was handled in this manner. Chairman Hegarty explained how the vote was to proceed and the purpose of the vote. Moderator Staffier called for Article 1.

ARTICLE 1: A motion was made and seconded and **VOTED IN THE AFFIRMATIVE BY THE MAJORITY** to amend the line items approved in Article 2 and Article 3 of the May 7, 2013 Annual Town Meeting in accordance with the recommendations of the Finance Committee. (Attached recommendations and vote)

ARTICLE 2: A motion was made and seconded and **UNANIMOUSLY VOTED IN THE AFFIRMATIVE** to accept the articles approved at the May 7, 2013 Annual Town Meeting in accordance with the recommendations of the Finance Committee.

	Appropriated	Recommended
ARTICLE 5: Funding buyback of sick and vacation time	$30,000.	$30,000.
ARTICLE 7: Repairs and/or improvement to the Town Hall building	$29,530.	$29,530.
ARTICLE 12: Repair of the Police and Fire Building	$25,000.	$25,000.
ARTICLE 22: Playground equipment at the Lundgren Playground	$150,000.	$150,000.
ARTICLE 23: Update Cross Connection Program	$27,065.	$27,065.
ARTICLE 24: Water Department facilities security system upgrades	$7,500.	$7,500.

	Appropriated	Recommended
ARTICLE 25: Repair Well #3 pump and motor	$61,000.	$61,000.
ARTICLE 26: Water Department van	$30,000.	$30,000.
ARTICLE 27: WTI Utility Billing Software	$21,801.	$21,801.

Selectmen Chairman Hegarty presented Article 3. This Article was passed at the Annual Town Meeting but was disallowed by the Attorney General's Office due to a technicality. The Article has been amended and he requested a vote from Town Meeting on the amended article.

ARTICLE 3: A motion was made and seconded and **UNANIMOUSLY VOTED IN THE AFFIRMATIVE** to amend the Town of Avon Zoning Bylaws, as follows:
(a) By adding a new Section XIV, Interim Regulations for Medical Marijuana Uses, to read as follows:

Interim Regulations for Medical Marijuana Uses

14.1 Purpose

This Section is intended to provide restrictions on the establishment of facilities associated with the medical use of marijuana facilities, as provided by state laws and regulations, in Avon. These restrictions will provide the opportunity to study potential impacts of said facilities on adjacent uses and on the general health, safety, and welfare, and to develop zoning and other applicable regulations that appropriately address these considerations consistent with statewide regulations and permitting procedures.

14.2 Definition

A Medical Marijuana Treatment Center shall mean any medical marijuana treatment center, as defined under state law as a Massachusetts not-for-profit entity that acquires, cultivates, possesses, processes (including development of related products such as food, tinctures, aerosols, oils or ointments), transfers, transports, sells, distributes, dispenses, or administers marijuana, products containing marijuana, related supplies, or educational materials to qualifying patients or their personal caregivers, which is properly licensed and registered by the Massachusetts Department of Public Health pursuant to all applicable state laws and regulations.

14.3 Exclusion of other Marijuana Uses

Any establishment that acquires, cultivates, possesses, processes (including development of related products such as food, tinctures, aerosols, oils or ointments), transfers, transports, sells, distributes, dispenses, or administers marijuana, products containing marijuana, related supplies, or educational materials to qualifying patients or their personal caregivers shall not be permitted if such establishment has not been properly registered and licensed in accordance with applicable state and local laws and regulations, or is not operating as a not-for-profit entity, or otherwise fails to meet the definition of a Medical Marijuana Treatment Center.

14.4 Exclusion of Accessory Uses

In no case, other than that prescribed in 105 CMR 725, shall the acquisition, cultivation, possession, processing, transference, transportation, sale, distribution, dispensing, or administration of marijuana, products containing or derived from marijuana, or related products be considered accessory to any use.

14.5 Interim Restriction

14.5.1 Medical Marijuana Treatment Centers shall not be permitted in any zoning district in Avon as long as this Section 14 is effective, as set forth in Section 14.6 below.

14.5.2 Other than that prescribed in 105 CMR 725, The cultivation, processing, sale, and distribution of marijuana, products containing or derived from marijuana or related products shall not be permitted in any zoning district in Avon as long as this Section 14 is effective, as set forth in Section 14.6 below.

14.6 Expiration

This Section 14 shall be effective through May 15, 2014.

(b) Amend the Table of Contents to add Section 14, Interim Regulations for Medical Marijuana Uses.

ARTICLE 4: A motion was made and seconded and **UNANIMOUSLY VOTED IN THE AFFIRMATIVE** to transfer from FY2004 Assessors' Overlay the sum of Eighty Six Thousand Two Hundred Thirty Five Dollars and Sixty-One cents ($86,235.61) to FY2011 Assessors' Overlay.

A motion was made and seconded and **VOTED IN THE AFFIRMATIVE TO ADJOURN.**

The meeting adjourned at 8:40 p.m.

Respectfully submitted,

Special Town Meeting
Avon Middle High School
7:30 P.M.

September 16, 2013

Moderator Frank Staffier called the meeting to order at 7:30 p.m. and recessed until the required quorum of 50 registered voters were present. Meeting was reconvened at 7:35 when the required quorum was achieved. Frank Hegarty, Chairman of the Board of Selectmen, called for a moment of silence for the people who lost their lives in the Washington Navy Yard tragedy and for all the crime and tragedy occurring in our Country.

Moderator Staffier called for Article 1:

Selectmen Chairman Frank Hegarty spoke on the Article as to why the vote was necessary. He indicated that the Prop 2 ½ override election failed to approve the additional $320,000 requested at the Annual Town Meeting and not adjusted at the Special Town Meeting. The reduction is necessary to balance the budget and enable us to set our tax rate.

A motion was made and seconded and **VOTED IN THE AFFIRMATIVE BY THE MAJORITY** to reduce the FY14 operating budget of the Town of Avon as voted by Town Meeting on June 24, 2013 Line Item 220-1 Fire Department Salary by Three Hundred and Twenty Thousand Dollars ($320,000).

The Moderator called for a vote to adjourn: A motion was made and seconded and **UNANIMOUSLY VOTED IN THE AFFIRMATIVE** to adjourn.

Town Meeting adjourned at 7:45 p.m.

Interest earned on special accounts and trust funds:	$ 7,638.47

This was my first year as **Appointed** Town Treasurer/Collector. This position was created by a home rule petition. The legislation was signed by the Governor on October 26, 2012, making the position effective as of that date. I have served in this position for the past year. I am retiring in the spring and the position is now in the process of being filled. This is my 14th year as Treasurer, although I have been employed by the Town of Avon for 32 years. Over the past 32 years I have worked in many of the departments of the Town. I have enjoyed my service with the Town and am looking forward to my retirement.

At our Annual Town Meeting held on May 7, 2013 the Town approved a budget of $21,825,935. This appropriation put the FY14 budget over the levy limit. This figure was later reduced by $320,000. at a Special Town Meeting, after a Special Proposition 2 ½ override election failed.

Our Stabilization Account now has a balance of $991,872.62. We also have two Special Stabilization Accounts. The MBTE Stabilization Account has a balance of $3,478,445.01 and the Public Safety Stabilization Account has a balance of $601,922.61. We also have an OPEB Account which we contribute to on a yearly basis. This account is for Other Post Employment Benefits. It is the purpose of this account to fund the Town's portion of a retiree's health and life insurance in the future. Unfortunately in this low interest environment none of our trusts or special funds have been able to grow at the rate they did in the past. Hopefully this will change in the future and we will again experience a healthy gain in these special funds. The Town voted to withdraw $700,000 from our Stabilization Account in order to demolish the Crowley School. It is my hope that this money can be re-deposited to this account from our free cash at our next Town Meeting. It is important to keep this savings account at a healthy level. This fund is the Town's savings account to be used for emergencies. Having a substantial Stabilization fund is also important when attempting to borrow. A strong Stabilization fund helps the Town maintain a favorable bond rating. A favorable bond rating has a direct impact on the interest rate charged when the Town needs to borrow funds. It takes a 2/3 vote of Town Meeting participants to use any of the Stabilization funds, and the funds should not be spent to help support our general budget.

Our Tax Collections continue to be strong, but for those accounts that are in arrears we continue to work to collect those we can. The law firm of D'Ambrosio LLP continues to assist us with the process of collections. We have a few accounts which we are in the process of putting into tax

title and about ten additional accounts, already in tax title, that we have started the tax taking procedure in Land Court. This is a long and complex exercise. The Town has not as yet had to take possession of any properties but continues to work to collect the taxes due the Town. We continue to utilize Unibank for our on line payments. Each year more of our residents take advantage of this process. The firm of Kelley and Ryan Associates continues to be our Deputy Tax Collector, assisting us in processing our Excise Tax files, printing and mailing bills, and actively assisting with late Excise Tax collections.

The Town has recently created a new website. There are links on this site to both Kelley and Ryan and Unibank.

I attended both the June conference and Annual School in Amherst, in an effort to keep current on laws and changes taking place in the Treasurer/Collector's office. This year I took classes relevant to the Collectors office, as this is a new position for me. Debra Morin, our Town Accountant, attended as well and took classes relevant to the Treasurer's office.

I would like to take this opportunity to thank Karen Collum, Assistant Tax Collector, who is responsible for most of the duties in the Collector's office, Carla Mazgelis Costa, Assistant Treasurer, and payroll and accounts payable clerk, and Sally Theil who is payroll backup. These ladies are very knowledgeable and work hard to accomplish the many duties required of them. Avon has a small staff. This can present challenges unique to an office of this size. The Town is fortunate to have a group that work well together and are willing to help each other out. A special thank you to Town Accountant, Debra Morin, who can always be counted on to provide help and support wherever needed.

Respectfully submitted,

V. Jean Kopke
Treasurer/Collector

REPORT OF THE TOWN ACCOUNTANT

To the Honorable Board of Selectmen:

I hereby submit the following reports for the Town of Avon for Fiscal Year 2013: Balance Sheet and Summary of Accounts.

The Accountant's office had a very smooth closing again this year with the help of the Treasurer's office and staff. The Town's books closed and balance sheet was submitted to the Department of Revenue on September 8, 2013. This allowed Free Cash of $1,309,531 to be certified. There was a substantial increase in the Free Cash this year due to the following circumstances: release of Overlay Surplus from the Assessors, increase in Building permits from Restaurant Depot and Wal-Mart; we had a few departments that had reduced staff, resulting in expenditure savings. I do not see this repeating for the upcoming fiscal year. The Town's Financial Statements were completed in December by our auditors and Schedule A was submitted mid-September using the new GATEWAY online submission system.

Avon's website was upgraded this fiscal year using Virtual Town Hall software. Each department has been given access to create their own page including pictures, meetings, and agendas. We have received positive reviews from those who have viewed the new website. We encourage any and all comments through the online comments section. I personally have been monitoring departments' websites and their comments to make sure the new website is functioning to the best of its ability. The Town is fully compliant with its Fixed Assets reporting. This means that we will have on file a cost associated with all infrastructures and also a cost for future liabilities on employee benefits. A lot of time has been required researching information and a lot of time will continue to be needed in order to keep records accurate and up to date. Our Town is also funding post-retirement benefits and is compliant with GASB45.

I continue to maintain and attend all educational programs offered by the Accountants' Association and attend the three day workshop given at UMAS Amherst in March. I have had the privilege to attend educational programs for the Treasurer/Collector, both at UMAS Amherst and Cape Cod. I look forward to continuing the educational programs.

I would like to take the opportunity to thank all the departments for their efforts. Sincere appreciation goes to the clerical staff that has been able to give me assistance when needed and back up training with the support of the Payroll Department. I want to thank Treasurer Jean Kopke, who gives the extra time and effort to make sure the job is done right. We have developed a close working relationship, which only benefits the Town. I look forward to another busy, but productive year as Avon's Town Accountant.

Respectfully submitted,

Debra J. Morin
Town Accountant

REPORT OF THE FINANCE COMMITTEE

Mark Brown, Phil Fowler, Jarrett Beeley, Chairman Eric Beckerman, Kipp Sturge

The Finance Committee represents the Avon taxpayers. We are the official financial watchdog of the Town. We study financial and other affairs of the Town on behalf of ALL Town citizens – not just a special interest group. We have a duty to inform, provide advice, and make recommendations on all budgets and monetary articles that come before a Town meeting.

We are appointed (and reappointed) by the Town Moderator. The Committee consists of seven (7) members:

Eric Beckerman	Appointed 2008
Kipp Sturge	Appointed 2011
Jarrett Beeley	Appointed 2011
Mark Brown	Appointed 2012
Phil Fowler	Appointed 2014
Vacancy	
Vacancy	

It shall be the duty of the Finance Committee to study the financial and other affairs of the Town and to advise all officers of the Town as to the expenditures and recommendations for appropriations to be made by them. All officers of the Town shall, on the request of the Committee, furnish it with all the facts, figures, and all other information pertaining to their several departments. The Finance Committee shall consider all articles in the warrants for all Town Meetings and report in print to the Town prior to each Town Meeting, Annual and Special, their estimates, and recommendations for the action of the Town. Said Finance Committee Report shall be distributed to each dwelling within the Town not less than seven (7) days prior to the Annual Town Meeting and posted in not less than seven (7) public places, including the Post Office, three (3) days prior to a Special Town Meeting.

Celebrating
125
Years

REPORT OF THE 125TH ANNIVERSARY COMMITTEE

Our 125th Anniversary celebration began in February, 2013 with a kick off dinner ball attended by 350 people at the Shaws Center in Brockton. The beautiful tall gold glistening centerpieces were made by Christine Conley; music was provided by Avon resident Tom Cream.

Congratulatory letters, certificates and proclamations were presented by various state and local officials. Complimentary gifts of gold trimmed wine glasses were given to all who attended the ball. Special guest of honor and parade grand marshal was John Costa, who is 100 years old, and who was presented with the Boston Post Cane as the oldest Avon resident.

The community spirit and enthusiasm generated at the ball set the stage for a year long list of free events and activities put on by the 125th Committee.

The Town was presented with a special 125th Anniversary flag, designed by the committee and flown at the Town Hall and Fire Station during the year.

The first event was a free concert at the High School, featuring The Brian Maes Band. The band put on a great performance and enjoyed talking with the audience. They were greatly impressed by all the State Championship flags for basketball and the elaborate music room at Avon High.

The next free event was An Evening with Illusionist David Garrity. Mr. Garrity put on a wonderful performance with audience participation and a great show was enjoyed by the many families attending.

The Library had a Live Band Concert by the Dred Socks. It was well attended and a variety of music was played for every age group.

There was also a free concert at the Baptist Church with a performance by Steve Gretz and Leslie Lee. This was another well attended night and enjoyed by many.

In June, a Field Day was held at the Butler School. Everyone enjoyed the petting zoo, horse rides, jumpy rooms, inflatable slide rides, face painting, old fashion games, and carnival food. Dale & the Duds put on a lively performance and the night ended with a fantastic fireworks display. Everyone agreed it was a huge success and may be an event to be carried on by a community committee.

Sweatshirts and T-shirts celebrating the 125th Anniversary were sold for the entire year. The Wednesday Night Quilting Group made and donated a beautiful quilt for the Town which was raffled off on live cable TV. The committee made and sold calendars with many local pictures of

Avon. Each month a drawing was held on cable TV for a cash prize drawing and at the end of the year, a $1000 cash prize was given away. Cable TV held a "Best Pizza in Avon" contest. Many people attended and voted. The event was held on the Cable property under tents and Geri's Pizza was voted the best pizza.
Nickates Art Studio in the center of Town worked with high school students who volunteered to create a beautiful stained glass window to leave to the Town as a remembrance of the 125th Anniversary. It shows the War Memorial statue and Robbins Museum in the Town Center. The stained glass is displayed at the Library—then to be moved to the Town Hall and High School—each for a short display time.

A 125th Anniversary Book was compiled from contributions made from more than 100 Avon businesses and residents. This book was distributed at the Anniversary Ball and was available at the Town Hall and Library during the year. Along with advertisements of the present day businesses, photographs of the 19th century establishments that no longer exist are shown with memorabilia of the Town and its history.

A special Postage Cancellation Stamp was created with Shakespeare's picture commemorating the 125th Anniversary. A small gathering was held at the Town Hall with the past Postmasters of Avon and special dignitaries in attendance. Each person was given an envelope with the 125th postage stamp cancellation as a souvenir. Cable TV filmed all of this for Avon's future history.

A family movie night with cotton candy, popcorn, jumpy house, and a wet slide was held at the high school field. Many families enjoyed the night out.

Restoration of John DeMarco Park was a project undertaken by Eagle Scout Neal Borden as his badge project. Trees were cut down and paths were cleared and widened to make the walking trails more accessible to the public.

In October, a grand parade was held. The Town Center was decorated with flags on all the poles along the streets. Town Center businesses were decorated with red/white/blue bunting. The streets were lined with people watching an array of groups. The Mummers, a marching band with elaborate costumes that dance and play instruments, put on a great show. There were numerous floats submitted by businesses, churches, organizations and individuals. Marching bands came from all over—antique autos, clowns, and horses. The large helium character balloons were manned by volunteers. Decorated trollies carried the Moses Curtis descendants, and the VFW trolley carried our Veterans, decorated with flags and balloons. John Costa, the grand marshal, rode in a horse drawn carriage with his family. The perfect fall weather made it an exceptional day. Many gatherings were held in yards with special friends and former residents returning for the parade.

In December, a two-day Holiday Festival Celebration brought the year to a close. The Tree Lighting Ceremony had been moved to DeMarco Park. The gazebo was decorated with colored lights and deer statues, and a rocking chair for Santa pictures. Christmas trees around the gazebo were decorated with small white lights. The water fountain had greenery placed around it and was lit up with red and green lights. Luminary bags lit with small candles lined the walkways to St. Michael's Church, Avon Baptist Church, DeMarco Park, Blanchard's Tavern and Robbins Museum. Christmas lights were purchased for the Library and Fire and Police Stations. Homes and businesses were decorated in hopes of being chosen the winner in the House Decorating Contest. An Ugly Sweater contest was also held, with the winners receiving a cash prize for the ugliest sweater.

Santa arrived by horse and carriage at the gazebo for pictures. Carolers walked in costume around the center caroling. Blanchard's Tavern and Robbins Museum were decorated and open, serving hot drinks and snacks. There was an ice sculptor cutting a design out of a block of ice. A wood sculptor created a beautiful bench celebrating the 125th Anniversary—that is on display at the Town Hall. A horse drawn carriage provided rides around the Town Center. There was a mini Ferris wheel and merry go round for small children. St. Michael's held an Arts and Crafts Fair that was a success, with hundreds attending the two-day event. Volunteers served hot drinks and snacks in tents that were set up in the park to guard against the cold weather. The night ended with Towns people caroling in front of the Baptist Church, where everyone went inside for hot drinks and cookies. It is the Committee's hope that this Holiday Event will remain as an annual tradition.

The 125th Anniversary Committee wishes to express its appreciation to all the residents and friends and volunteers who supported our year-long activities. A Special Recognition Night is being planned to properly show our gratitude to all those who worked so hard on so many events to make Avon's 125th year such a huge success.

Happy Anniversary Avon!

Respectfully submitted,

REPORT OF THE FIRE DEPARTMENT

The Annual Report of the Fire Department for the year ending December 31, 2013 is hereby submitted to the Honorable Board of Selectmen:

The Avon Fire Department continues to deliver excellent emergency service to the residents and businesses in Town through dedicated and highly trained members. The department currently has 27 members; 8 are full-time Firefighter /EMT's, 18 Call Firefighters, and the Chief.

The Fire Department responded to 1302 incidents in 2013. The Department handled 725 medical emergency calls, which constituted 56% of the total; 169 fire or hazardous condition calls for 13% of the total; and 408 assistance calls for 31%.

The Fire Department responded to 95 incidents at industrial or commercial buildings; 117 incidents at large retail buildings; and 83 incidents on state roadways. The remaining 1007 incident responses were to small local retail, Town roads, and residences.

Engine 1 was delivered in the early summer of 2013. It has met all of the department's expectations. The safety of our personnel depends on safe equipment, and having good dependable equipment allows our firefighters to do their job effectively and efficiently. I would especially like to thank Deputy Chief Stephen Hallissey for his tireless effort in designing and equipping the new engine.

The replacement for Ambulance 2 is currently being built. Delivery is expected in the spring of 2014.

The Fire and Police Station remains a significant issue. We must continue to explore options to overcome the deficiencies of the existing facility.

As Fire Chief, I am proud of all of the members of the Fire Department. They do an excellent job of delivering service to the community. We welcomed 6 new members; Charles Comeau, Jr., James Houhoulis, Patrick Manning, Justin Murphy, Michael Theil, and Kevin Topping. We also thank Captain Scott Nixon for his decade of service to the Town and wish him well in his future.

The department thanks all of its members for their time and their service to the Town.

Respectfully submitted,

Robert Spurr
Chief of Department

REPORT OF THE POLICE DEPARTMENT

Warren J. Phillips, Jr.
Chief of Police

David G. Martineau
Deputy Chief of Police

The following Avon Police Department Annual Report for the year ending December 31, 2013 is hereby submitted to the Honorable Board of Selectmen:

In the past year we have seen the retirements of Sergeant George Houhoulis and Officer Douglas LeGrice. We are currently in the process of filling these two vacancies.

The need for a larger facility continues to pose both constraints and safety hazards for the Police Department. There is not enough room for new, more modern equipment that is currently being used, which is crucial to the proper functioning of the department. Likewise, the lack of space for the equipment poses huge potential safety issues. Aside from the inability to adequately house large equipment, the lack of secure space poses an additional safety hazard. The department lacks a secure location to book individuals being brought into custody; the lack of space is increasingly evident. Two cells are currently being used for storage. One of these cells has even had the bench and toilet removed and converted into a locker room for the officers. Furthermore, this past year the Police Department was written up by the Department of Public Health for violations dealing with the cells that needed to be corrected. Finally, due to the lack of space, the Avon Police Department was unable to install a kiosk for the Prescription Drug Take Back Program that was offered to all Police Departments in Norfolk County by the District Attorney's Office. While trying to use the space efficiently, we have definitely outgrown the current facility.

The Avon Police Department continues to work with the Avon Public Schools and A.C.E.S. (Avon Coalition for Every Student) to promote a safe learning environment for our students. We are currently working with the Norfolk County District Attorney's Office to implement the new impact program to help keep our students safe, should a crisis situation arise.

I would like to thank our Dispatchers for all they do to make the Dispatch Center run effectively. All Dispatchers have received EMD recertification as well as additional 911 training. Furthermore, they also process motor vehicle crash reports, motor vehicle citations, record requests, parking tickets and uniform crime reporting statistics. Our Dispatchers are a great asset to our community.

I would also like to thank my officers who do an exceptional job. It is through their efforts that the crime rate is as low as it is, especially in respect to our location.

The Avon Police Department actively strives to maintain a positive working relationship with the residents of Avon. If you have any needs or concerns, please do not hesitate to call and speak with us.

Respectfully submitted,

Warren Phillips

REPORT OF THE BUILDING DEPARTMENT

Building Inspector Robert Borden

I would like to thank the residents, businesses, elected officials, boards and commissions of our Town for their support and cooperation throughout the year.

2013 was by far the busiest year in my tenure as Building Commissioner for the Town of Avon. Construction and inspection activity showed a significant increase over any previous year. Though there was no increase in the number of permits issued, the value of permits and number of inspections required indicates a rebound of the economy in our Town.

Permit and inspection activity for calendar year 2013 was as follows:

RESIDENTIAL			
136 permits	488 inspections	Value: $1,766,900	Fees: $19,704.00
COMMERCIAL/BUSINESS			
83 permits	546 inspections	Value: $23,464,500	Fees: $279,644.00
MECHANICAL/SHEETMETAL			
28 permits			Fees: $4,114.00
MISCELLANEOUS: Inspection certificates, occupancy permits			
53 inspections			Fees: $3,530.00

As demonstrated by the figures above, Avon's strong commercial/industrial base continues to lead the Town's growth. However, the "built out" nature of both the commercial and industrial parks may restrict future growth until such time as improvements to some municipal services are accomplished.

Thank you all. It is my pleasure to serve you and our community.

Respectfully submitted,

Robert C. Borden, CBO
Building Inspector

The following is my report for plumbing permits issued from January through December, 2013:

Permits issued	109
Total fees collected	$7,175.00

I wish to thank Alternate Plumbing Inspectors Brian Campbell and Joseph Donovan, the Fire Chief, Building Inspector and the Town Clerk's office for their cooperation.

Respectfully submitted,

Alexander Campbell
Plumbing Inspector

REPORT OF THE BOARD OF HEALTH

The Avon Board of Health is pleased to submit its report for the calendar year 2013.

The Board employs Tara N. Tradd as their Health Agent and Animal Health Inspector, Dov Yoffe, as the on-call Public Health Nurse, and John McNally as the Compost Site Attendant.

Food

The Board of Health maintains an active food protection program. Federal Food Code requires that all food establishments be inspected at least every six months. The Board of Health continues to emphasize the important concepts of safe food handling, good personal hygiene, site security and food labeling. This year two new establishments opened; two establishments are being remodeled and no closures were reported. Wal-Mart's new grocery store addition is still under construction—estimated opening to be in March of 2014.

Septic

The number of homes transferring ownership has remained steady during the year. There were three (3) new residential sites developed and thirty five (35) residential septic system upgrade/repairs approved this past year. There was one new commercial development and (3) system upgrades in the Industrial Park. The Board of Health monitors on a monthly basis three (3) groundwater discharge permits for systems over 10,000 gallons per day, two (2) alternative treatment systems and five (5) non-industrial holding tanks. The continuous improvements of the septic systems serve to guarantee that Avon and Brockton have a protected, safe and reliable aquifer. Avon residents rely on the ground water for both the public drinking water supply and for individual private drinking water supply.

Solid Waste, Hazardous Waste and Recyclables

The Town continues its success with its current curbside Waste Disposal program with Howland Disposal Services. There is weekly trash pick-up, biweekly recyclable pick-up and four times per year bulk pick-up. Increases in recycled efforts by the residences continue to rise. The Board of Health would like to thank all the residents for their participation in the Recycling program. Increasing the amount of recyclables decreases the amount of solid waste sent to the Waste to Energy facility for burning. A Hazardous Waste Collection Day was held with Randolph on the second Saturday in October with high participation from Avon residents. The Board also maintains a seasonal compost site and an electronic drop off site for residential use on Wales Avenue. New this year at the Wales Avenue Compost is the addition of a Mercury Recycling Shed. The Town received a grant from Covanta/SEMASS for the shed and disposal of all mercury products. Drop off of these items will be accepted during the normal compost operating season.

Medication Take Back Days were held in conjunction with the Randolph Hazardous Waste Collection Day. This program allows residents a safe method to dispose of unwanted and outdated medications.

Since July 1, 2012, medical waste regulations do not allow the disposal of sharps in household garbage. Filled sharps containers will be accepted at the sharps disposal (drop-off) site at the Town Hall. A sharps disposal kiosk is in the lobby.

Tobacco Control
The Board revised its regulations relating to Environmental Tobacco Smoke in workplaces and in public places. Some of the changes to this regulation include the prohibition of E-Cigarette use in areas where smoking is also prohibited and no smoking on any playground, park, any school or library grounds. Smoking Bars have also been prohibited anywhere in the Town of Avon. For a copy of this regulation, please contact the Board of Health office.

Arbovirus Surveillance
The Norfolk County Mosquito Control treats the community at large and samples several mosquito pools in Town. This year no positive mosquito pools for the West Nile Virus (WNV) were found. Avon remained in the Low Risk category for mosquito borne disease transmission. Residents may find out if their street is being treated by calling (617) 582-6216 after 3:30 p.m. for each town's respective scheduled day or by visiting: www.norfolkcountymosquito.org/ULV_Schedule.html.

Disease Investigation and Public Clinics
The Board is also responsible for the investigation and control of infectious and contagious diseases in humans, animals and insects. Our office provides vaccine to the medical practices in Avon and partners with a local health care provider to offer adult immunizations clinics for flu and pneumonia. This year the Board received 70 doses of seasonal flu vaccine from the State supply for distribution to underinsured residents. 200 flu and 1 pneumonia shot was administered through the seasonal fall Flu Clinics. Other Board of Health services include monthly Blood Pressure Clinics, Flu Clinic services to homebound elders and follow-up visits of newly arrived immigrants and those individuals diagnosed with infectious or contagious diseases. The Department has just recently joined the Massachusetts Virtual Epidemiological Network (MAVEN) which is a new web-based disease surveillance and case management system that enables state and local health departments to capture and transfer appropriate public health, laboratory, and clinical data efficiently and securely over the Internet in real time. The system interfaces with Electronic Laboratory Reporting (ELR) efforts, has automatic (24/7/365) notification of state and local officials of any event requiring their attention and geographic information system (GIS) activities.

Emergency Preparedness
The Board of Health is a member of Region 5 Emergency Preparedness Division which meets monthly under the direction of the State Department of Public Health and is orchestrated by the Region's Executive Board and Massachusetts Association of Health Boards. We are focusing our efforts on Pandemic Planning and Sheltering. The Medical Reserve Corps (MRC) continues to play a vital role in emergency preparedness. This group of medical and non-medical volunteers plays a vital role in the Board's ability to operate during emergencies. Trainings are offered throughout the year. For more information on how to join the Town's MRC, call Tara Tradd at the Board of Health office (508) 588-0414 ext. 1016.

Board of Health Business:
There is a new interactive Town website which includes recent information concerning upcoming clinics, training, events and programs, recent food recalls, current fee schedules, application forms, procedures, agendas and minutes—all available on the Town's website www.avonmass.org.

Finally, the Board recognizes the achievements of Tara Tradd as she continues to be an At-Large member of the Executive Committee of the Massachusetts Health Officers Association (MHOA)

and Exhibit Hall Committee Chair for the MHOA Annual Educational Conference. In addition to serving on the MHOA Board, Tara was just recently voted onto the Avon Coalition for Every Student (A.C.E.S.) Board and Steering Committee as their new Chairman. Congratulations!

The Board of Health would like to thank the other Town Departments for their continued support and cooperation throughout the year.

NCMCD operations apply an Integrated Pest Management (IPM) approach to mosquito control that is rational, environmentally sensitive, and cost effective.

Surveillance

NCMCD is engaged in an intensive monitoring process through weekly field collections and data analysis in collaboration with the Massachusetts Department of Public Health (MDPH) to detect for disease-vectoring mosquitoes. Virus isolations assist us in focusing our surveillance to hot zones thereby allowing us to alert nearby towns of a potential epidemic.

Virus Isolations in the town:	no isolates in 2013
Requests for service:	111

Water Management

Communication with residents and town/state/federal officials, site visits, monitoring, wildlife management, and land surveys while maintaining regulatory compliance is integral to the management of waterways that may contribute to mosquito breeding. Pre- to post-management documentation allows us to assess the efficacy of our work.

Culverts cleared	0 culverts
Drainage ditches checked/hand cleaned	1,900 feet
Intensive hand clean/brushing*	600 feet
Mechanical water management	0
Tires collected	0

* *Combination of brush cutting and clearing of severely degraded drainage systems or streams by hand.*

Larval Control

When mosquito larval habitat management is not possible, larval mosquito abatement is the most environmentally friendly and effective method of disease control. An intensive monitoring program, aides in our decision to effectively target culprit locations.

Spring aerial larvicide applications (April)	145.3 acres
Summer aerial larvicide applications (May – August)	0 acres
Larval control - briquette & granular applications by hand	1.8 acres
Rain basin treatments – briquettes by hand (West Nile virus control)	270 basins
Abandoned/unopened pool or other manmade structures treated	0 briquets

Adult Control

Adult mosquito control is necessary when public health and/or quality of life is threatened either by disease agents, overwhelming populations, or both. Our rigorous surveillance program, along with service request data and state of the art GPS and computer equipment, allows us to focus our treatments to targeted areas.

Adult aerosol ultra-low volume (ULV) applications from trucks	1,880 acres

REPORT OF THE PLANNING BOARD

Associate Dolores Daigle, Clerk Charles Marinelli, Chairman Charles Comeau and Vice-Chairman Robert Pillarella (Associate Matthew Curley not pictured)

To the Honorable Board of Selectmen, Voters, Residents, and Taxpayers of the Town of Avon:

The Avon Planning Board submits the following annual report for the year 2013:

Public Hearings were held concerning the following:

25-27 Doherty Avenue
15 Doherty Avenue
1 Patrick Clark Drive
85 Bodwell Street
291 Pond Street / 30 Bodwell Street

The Planning Board continues to update the Town's zoning bylaws and meet with private residential and business owners to provide information on proper use of buildings and property.

You can access the latest revision to the Town of Avon's Zoning By-Laws, the Site Plan Review application, a Petitioner Checklist and the Planning Board Fees on the new Town website.

We would like to thank Dolores Daigle for her 20 years of service on the Planning Board.

In conclusion, the members of the Planning Board are committed to the following:

Encourage the most appropriate use of land throughout the Town, including consideration of the recommendations of the Master Plan adopted by the Planning Board. We are committed to conserve the value of lands and buildings, including the conservation of natural resources and prevention of blight and pollution of the environment.

Respectfully submitted,

Charles Comeau, Chairman

REPORT OF THE OLD COLONY PLANNING COUNCIL

To the Honorable Board of Selectmen and Citizens of the Town of Avon:

As your representatives to the Old Colony Planning Council (OCPC), we are pleased to present this report on behalf of the Council for 2013.

The Old Colony Planning Council was established in 1967 by state statute and is authorized to prepare plans for the physical, social and economic development of the Sixteen-member community region. OCPC is designated as: an Economic Development District by the U.S. Department of Commerce for the coordination of regional economic development activities; an Area Agency on Aging (AAA) by the Executive Office of Elder Affairs to plan, manage and coordinate elder services in a twenty-three community service area; and, the Metropolitan Planning Organization (MPO) to plan and program transportation and transit improvements for the region.

In addition to the above-designated responsibilities, the Council also assists its member municipalities with technical planning, grant application preparation and current local and regional socioeconomic information.

During the past year, the Council completed the FFY 2014-2017 Transportation Improvement Program (TIP); the Old Colony Management Systems Report; the Old Colony Major Bottleneck Study in Avon and Stoughton; the Town of Halifax Stormwater Mapping Project; the Plymouth Complete Streets Policy; and provided numerous Road Safety Audits, Intersection Analyses, and Technical Studies to the member communities; and, continued participation in the South Coast Commuter Rail Task Force, provided technical assistance to Bridgewater, Easton, and Stoughton, related to the potential rail service, and developed the priorities areas of regional significance. The Council also provided technical assistance to member communities under the District Local Technical Assistance (DLTA) Program in areas such as regionalization—water; wastewater; 911 services; zoning bylaw revisions; expedited permitting; a Housing Development Incentive Program (HDIP) HD Zone Plan as well as the creation of a Regional Housing Plan and a Regional Clean Energy Plan. During the past year, with assistance and guidance from member community advisory committee members, the Old Colony Area Agency on Aging (AAA) has continued the ongoing administration of over $1.3 million dollars of Federal and State funding for elder services. The OCPC-AAA administers and oversees funding for services like nutrition, transportation, day care, legal services, and others to the more than 90,000 persons age 60 and over in the region. The OCPC-AAA also completed development of the 2014-2017 Area Plan on Aging, and continues to advocate on behalf of older persons from throughout the region. The OCPC-AAA Long-Term Care Ombudsman Program continues its efforts, with over 700 visits to nursing and rest homes, investigating over 360 issues of concern from residents or families. In addition, OCPC continues to administer the Septic Loan Program for the Towns of Avon, Cohasset, Hanson, Kingston, Marshfield and Stoughton. During 2013 the Council processed approximately $650,000 in loans for both septic systems and sewer connection for the communities under the Septic Loan Program.

Each member community of the Council is represented by one delegate and one alternate member. The Council members establish policy, develop the work program, and employ and oversee the activities of the professional staff. The Council meets on the last Wednesday of each month at 7:00 p.m. in the OCPC offices located at 70 School Street, Brockton, MA. In 2013, the Council elected Lee Hartmann of Plymouth as Council President; Fred L. Gilmetti of Whitman

as Council Treasurer; and Frank P. Staffier of Avon as Council Secretary. Pasquale Ciaramella serves as Executive Director of the Council.

The Council gratefully acknowledges the generous support and cooperation of its member communities and the participation and involvement of the many individuals who participate as members of committees. Special thanks are extended to Joint Transportation Committee Chair Noreen O'Toole; Comprehensive Economic Development Strategy Committee Chair Mary Waldron; and, the Area Agency on Aging Advisory Committee Chair Richard Whitney for their commitment, dedication and leadership during the past year. The Council also recognizes the work of local boards and commissions and the government agencies, public and private institutions and individuals who assisted the Council in its efforts.

Respectfully submitted,

Frank Staffier, Delegate
Charles Marinelli, Alternate
Troy E. Garron, Delegate At-Large

REPORT OF THE NORFOLK COUNTY REGISTRY OF DEEDS
WILLIAM P. O'DONNELL, REGISTER
649 HIGH ST., DEDHAM, MA 02026

The Registry of Deeds is the principal office for real property records in Norfolk County. The Registry receives and records hundreds of thousands of documents each year, and is a basic resource for title examiners, mortgage lenders, municipalities, homeowners, and others with a need for land record information.

The Registry operates under the supervision of the elected Register, William P. O'Donnell. In over two hundred years of continuous operation, the Registry's objectives have remained the same; accuracy, reliability and accessibility for the residents, businesses and communities of Norfolk County.

In over two hundred years of continuous operation, the Registry's objectives have remained the same; to maintain the accuracy, reliability and accessibility of our communities land records for the residents and businesses of Norfolk County.

2013 Registry Achievements

- Register William P. O'Donnell and his staff continue to visit town halls, senior centers and civic groups across Norfolk County. Register O'Donnell visited Avon Town Hall on November 14, 2013.

- The Registry of Deeds full service telephone and walk-in Customer Service and Copy Center continues to provide the residents and businesses of Norfolk County with quality real time customer assistance in all area of Registry operations.

- Electronic recording continues to expand with 31,639 documents recorded electronically and 7.26 million in recording fees collected in 2013.

- The internet library of images accessible to the public through the Registry of Deeds online research system at www.norfolkdeeds.org continues to expand as all documents back to the first documents recorded in Norfolk County in 1793 are available for viewing.

- Multiple technological improvements were implemented in FY13 including ongoing upgrades to the registry server and the introduction of an improved Registry of Deed's website. The Registry's website www.norfolkdeeds.org is regularly updated and enhanced to include recent news, resources for homeowners, real estate statistics, media information and answers to frequently asked questions.

- Improvements to the physical and structural appearance of the historic Registry Building continued with the installation of new central air conditioning throughout the facility and additional shelving units which will serve to meet the demands of future record book storage.

- Register O'Donnell hosted several free computer seminars at the Registry to provide hands on training to members of the public and trade groups on land record research using the Registry's new website technology.

Real estate activity in Avon, MA during 2013 saw increases in sales and sales volume along with reductions in foreclosure activity.

There was a 6% increase in documents recorded at the Norfolk County Registry of Deeds for Avon during 2013 at 1,188 which was 64 more documents than the 2012 total of 1,124.

The total volume of real estate sales in the Town of Avon during 2013 was $34,352,873.00 which showed a 27% increase from 2012. The average sale price of deeds over $1,000 (both residential and commercial properties) was up in Avon by 25% in 2013 at $505,189.31 which showed a $101,491.49 increase over 2012.

The number of mortgages recorded on Avon properties in 2013 was up by 11% from 2012 at 247 while total mortgage indebtedness increased by 23% to $81,053,638.00 during 2013.

There were 4 foreclosure deeds filed in Avon during 2013 which showed a 56% reduction in filings, while the number of notice to foreclose mortgage filings decreased to 7 notices in 2013 compared to 14 in 2012 which was 50% fewer notices.

Finally, homestead activity increased in Avon during 2013 with 88 homesteads filed representing a 13% increase from the 2012 total of 78.

The modernization and business improvements that have enhanced our ability to provide first rate customer service to residents and businesses of Norfolk County will continue. I have been and always will be committed to an efficient customer service oriented operation here at the Registry. It is a privilege to serve as your Register of Deeds.

Respectfully submitted,

Bill O'Donnell

REPORT OF THE BOARD OF WATER COMMISSIONERS

**Clerk Charles P. Comeau, Jr., Chairman Peter C. Marinelli,
and Associate Charles H. Linfield**

To the Honorable Board of Selectmen and residents of the Town of Avon:

At the May 7, 2013 Annual Town Meeting the voters approved the creation of a Department of Public Works which will combine the Water and the Highway Departments. This change will be in effect July 1, 2014. At that time, the Water Commission will cease to operate.

On April 9, 2013 Mr. Charles P. Comeau, Jr. was elected for a three-year term on the Board of Water Commissioners.

The Commission is pleased that agreements have been reached with the Massachusetts Department of Environmental Protection (DEP) to rectify and address issues discovered previously with operation of the Water Department. We thank the Board of Selectmen, Town Administrator Mike McCue and special legal counsel for their assistance in this matter.

As this is the final report of the Water Commission, we wish to thank the citizens of the Town of Avon for the privilege and honor of serving them. We also wish the new DPW the best of luck as it assumes responsibility for water operations.

REPORT OF THE AVON CONSERVATION COMMISSION

Vice Chairman Kevin Mooney, Chairman David A. Young, Member Anthony Becker

To the Residents of Avon:

The Avon Conservation Commission is a volunteer board responsible for the administration of the Wetlands Protection Act (310 CMR 10) in cooperation with the Massachusetts Department of Environmental Protection. The Conservation Commission was established by M.G.L. c. 40, § 8, which established a public review and decision-making process for activities that may affect wetlands, water resources and adjoining land areas. The Commission consists of five members appointed by the Board of Selectmen. Meetings of the Commission are held the first Monday of the month, typically in the Conservation Department.

2013 consisted mainly of several home septic repairs; one (1) new industrial building, three (3) industrial building renovations and one (1) commercial building expansion (Walmart), two (2) new homes being constructed along with vegetation maintenance along power lines, gas lines, highways and Town roadways.

The Commission is a five (5) member board that currently consists of three (3) appointed members. The board is looking for residents that are interested in serving on the commission. The Avon Conservation Commission and Conservation Agent/Officer are here to enforce the By-Laws of the Town of Avon, and work closely with the other departments on jobs and projects.

In closing, the Conservation Commission would like to thank all residents and departments of the Town for their cooperation, support and interest in conserving their water, land and other natural resources.

Respectfully submitted,

David A. Young, Chairman
Kevin Mooney, Vice Chairman
Anthony Becker, Member

REPORT OF THE HIGHWAY DEPARTMENT

To The Honorable Board of Selectmen:

Highway Maintenance:
The Highway Department swept all streets and sidewalks in the spring, as well as patched throughout the year as needed. Unsurfaced streets and edges of roads were graveled and graded as needed. The brush along the streets and at various intersections was cut back and the grass was trimmed throughout the growing season. All of the lines were painted on the streets and the school zone panels along with the stop lines and the cross walks throughout the Town. Signposts were painted or replaced as needed throughout the year. The guardrails were painted and replaced. All catch basins were cleaned, inspected, and repaired if needed. Pipes were snaked and cleaned out throughout the heavy rains we had this year. Various brooks and culverts were cleared of brush to keep the water moving as time allowed. Litter and debris was removed from the various streets and roadsides at different intervals of the year. Christmas trees were picked up at the end of the holiday season and were ground into chips and added to compost at the Compost Site. The department mowed and trimmed Moses Curtis Park and the cemeteries on East Main Street and Page Street. The square was cleaned weekly and we picked up the trash twice a week throughout the year. We continue to clean and maintain the Compost Site on Wales Avenue. We also continue to maintain the Park and Recreation fields, playgrounds, and courts in addition to DeMarco Park, which is also maintained throughout the spring, summer, and fall. All Highway Department equipment continues to be repaired, serviced and painted by the department.

Snow Removal:
All streets, sidewalks, school areas, Police and Fire station, Town Hall, and Library parking areas were kept plowed and sanded as needed. Snow removal was provided to Avon Square and sidewalks around schools, as well as Library and Town Hall. Sand barrels were placed and kept filled on various hills in the event sand was needed in an emergency. A winter parking ban from November 15th through April 15th continues to be in effect to aid the department in clearing the streets safely, quickly, and with less expense to the Town. As always, we appreciate the public's cooperation.

New Construction:
Work on the Pond Street project was completed, although it was delayed by the bankruptcy of the contractor and the necessary procedure that this predicated. Work was also completed on Johanna Road and Lothrop Drive; Bows Lane; Beech Road, Cedar Road and Maple Avenue; and Ivy Road, Chestnut Road, and May Avenue.

The Department:
I would like to take this opportunity to thank all boards, departments and committees, for their assistance this past year. I would like to give special thanks to Mimi Rothstein, the Selectmen's Secretary, and Michael McCue, the Town Administrator, for their support and assistance. I also wish to express my sincere thanks to Foreman Peter Marinelli for overseeing operations in my absence and my crew for working through this unusual period.

Respectfully submitted,

Edward P. Sarni

REPORT OF THE PARK & RECREATION COMMISSION

To the Honorable Board of Selectmen and Residents of Avon:

We are happy to report that we had another successful year for the residents of Avon. The following is a list of all of our activities:

The Commission began planning their activities for 2013 with an ambitious list of activities for the residents of the Town.

Sewing and quilting are held every Wednesday evening beginning at 6:30 p.m. at the Avon Civic Center. We would encourage anyone wishing to learn to sew or quilt to stop by and join us. On Sunday, February 3, 2013, this group of quilters got together and made thirty-five quilts for South Shore Quilts for Kids. The group also made twenty-five fleece blankets. The quilts and fleece blankets were delivered to a representative of South Shore Quilts for Kids. The quilts were then taken to children in the chemo ward at Children's Hospital. During the summer program, we offered quilting to the youth of the Town. This year we had two student quilters who made several items during their six weeks of classes. The ladies enjoyed having the students. The Wednesday night quilters made a quilt for the Town's 125th celebration, which was raffled off in December.

The tradition of supporting **Avon Youth Baseball, Softball, and Babe Ruth**, was continued again this year. Many permits were given out this year for baseball and softball teams for the field usage. There is also a Men's Baseball team who play baseball every Sunday at the Butler from the beginning of May through the beginning of October.

The fields, playgrounds and shed continue to be vandalized by the youth of the Town. The shed at the Noonan field has been vandalized several times during the year. We have worked with the ACES group and they painted the shed to discourage graffiti. A new door has been installed. We are looking at replacing the cameras that were destroyed.

We are pleased to report that the Lundgren playground equipment has been replaced with modern playground equipment. We are looking into adding additional equipment in the future, such as tables with overhead canopies and a piece of pre-school equipment.

This year we also replaced the fencing at the Bartlett Street tennis courts.

The partnership with the School Department and the athletic teams watering the field during their playing season has worked out well. We would like to thank the administration of the high school for overseeing this commitment.

For the eighth year in a row, we continued supporting the youth of the Town in the **Stoyak** (Stoughton Youth Athletic Comm.) **Basketball Program**. Aggie MacQuarrie worked as our liaison for the 2012-2013 season. There are 75 children signed up for this program, which indicates that this is a needed program for the Town. The games are played on Saturdays beginning at 9:30 a.m. Teams are on a rotation at the Avon Middle/High School gym.

The **Stoughton Flag Football Program** continues to allow the children in Avon to participate in this program.

Elizabeth Doucet was the Summer Program Director and Kelli Mains was the Assistant Director. They had some great ideas and did a wonderful job. Our counselors this year consisted of: Emily Waldron, Sean O'Malley, Catherine Dequinzio, Ethan Hoffman, Daniel Zaleski and Kyle Rankutis. It was a very successful summer for staff and participants alike. The program this year was run at the Noonan Field. There were many field trips planned that were designed to appeal to many different age groups, and enjoyed by all. We continued our tradition of lunch on opening day for the youth attending this program.

On August 17th we held a Movie Night on Noonan Field, in conjunction with the 125th Celebration. The movie shown was "The Sandlot." There were 200 families who participated in this event. This was a fun filled evening with a DJ who played games with the kids. We also had a 16 foot water slide and a bounce house for the youth. Popcorn, snow cones and cotton candy were given to the children. The families and children enjoyed the evening.

In April, Kathy McDonald and Glenn Fernald were re- elected to the Park & Recreation Commission.

This year, A Beautiful Me uses the civic center weekly. The program "A Beautiful Me" is offered to the Junior/Senior high school students who meet after school on Thursdays. Many civic groups use the Civic Center weekly, including Little League, Soccer, Quilt Guild and the Scouts. Occasionally birthday parties are held there.

The **Highway Department** continues to work hard taking care of the Bartlett Street tennis courts, the Butler, Crowley, and Noonan fields and all of our playgrounds. Thank you to Peter Marinelli and the Highway Department for a job well done!

Thank you to the Avon School Department for allowing us to use their facilities for our summer and winter programs.

"Thank you" to Carol Geary, our secretary and bookkeeper.

"Thank you" to Liz Doucet and Aggie MacQuarrie for your dedication to the children of the community.

As always, we welcome any new ideas from our residents. We would like to encourage you to contact any member if you have an idea for a new program.

Respectfully submitted,

Barbara Littlefield, Chairman
Kathy McDonald, Vice Chairman
Glenn Fernald, Member
Bryan Vaughn, Member

REPORT OF THE COUNCIL ON AGING

To the Honorable Board of Selectmen and Citizens of Avon:

The Council on Aging proudly marks its 45th year of serving Avon's senior citizens.

There remain approximately 1,020 senior citizens over the age of 60 who reside in the community.

The CoA is the officially designated department to ensure that information, referral, and all daily living needs and issues of the community's seniors are addressed and resolved in a confidential and timely manner. Educational, social, health and wellness programs, transportation, and congregate meals are focal points of the Council's mission.

Through funding from the Executive Office of Elder Affairs Formula Grant, Volunteer Appreciation was held on June 12th at Christo's Restaurant for 20 dedicated volunteers.

Volunteer recruitment is ongoing for general opportunities, such as kitchen and dining room help, activity facilitators, van drivers, and Board members.

The Commonwealth's Formula Grant saw an increase again this year, to $8.00 per senior. This allowed the Council on Aging to once more raise the hourly wage of the Outreach Coordinator who is employed 10 hours per week.

The Outreach Program counseled 289 seniors and their families on issues such as fuel assistance, SNAP food program, alternative housing options, and general case management and referral.

The CoA served approximately 3,000 meals this year. The home delivered meal program (Meals-on-Wheels) provided more than 1,100 meals to seniors and disabled residents in their homes. This reflects an increase from 2012.

Participation in the Tuesday and Thursday lunch program at the Senior Center has showed a decline in participation. This is attributed to illness and relocation.

Social programs included an Antiques Roadshow with appraisers on hand to evaluate items, holiday parties, a summer cookout at Avon Fish & Game, a luncheon provided by individuals active in the community, and a luncheon hosted by the Avon 125th Committee. Two new fitness programs were added; Chair Yoga and "Fit-For-Life," an aerobic and strength training module.

The Norfolk County Sherriff's Department visited the Senior Center often to keep our clients abreast of new programs and to teach awareness. The "RUOK" program was highlighted during one visit to encourage people to utilize the program that calls the home in the morning and takes steps to ensure the safety of those who do not answer.

In an effort to attract new people to the CoA, a Spaghetti Supper was held one evening, and a Yard Sale took place in June.
In conjunction with the Avon Public Library, an 8 week course on "Hand Held Devices" was offered. This encompassed Smart Phones, Tablets, Lap Tops, etc. It was well attended and a great success.

The Avon 125th Committee was very generous and thoughtful to the senior citizens. They provided many extras and donated 50% of a raffle held at the Winter Fair to the CoA for future entertainment or activity.

The Council on Aging van drivers continue to attend yearly training to ensure that they meet the yearly educational requirements for BAT/DOT. All van drivers for Avon are current with their certifications.

The CoA van provided medical, social, and shopping transportation to 2,200 (duplicated) clients.

The CoA entered into a contract with Brockton Area Transit for vehicle maintenance. BAT will provide general maintenance to the COA van every 5,000 miles to ensure proper preventive services are up to date. They will also pro-rate the cost of other maintenance required, such as brakes, tires, etc.

REPORT OF THE ANIMAL CONTROL OFFICER

To the Honorable Board of Selectmen:

I respectfully submit the annual report of the Animal Control Officer for the fiscal year 2013.

During the past year, I have received many calls regarding different animal related problems and situations such as dog bites, quarantines, sick animals and much more. With the help of the Police Department and the Town Clerk's office, we handled them successfully.

Also this year I got a chance to really see how things would work out being in both Holbrook and Avon. I find your Police Department to be extremely helpful as far as animal issues go. I have also started to implement fines in Avon for unlicensed dogs. This has allowed us to collect much needed monies for the Town. As I continue to get familiar with Avon, I expect to double or even triple the monies within the next year. Hopefully with these new revenues, thoughts of an on call helper will be entertained.

This year was huge for stray and unwanted animals, most likely because of the economy. However, I was lucky enough to find new homes for all of the misplaced dogs and many cats as well.

One of our biggest achievements was having the Cat Spay Wagon come once a month to the shelter all year. This allowed us to trap, fix, and release over fifty feral cats and allowed many people to fix their pet cats for only $85.00. I understand that not everybody wants all these cats around. However, by us fixing them we are seeing a decline in highly populated areas and as the old ones pass away we are hopeful that history won't repeat itself. I owe many thanks to the S.S. Humane Society, Mary Connolly, Ron and Cathy Vachon, Lori O'Neil and many other committed volunteers that have solicited for donations, paid for animal care and helped run two adoption days at the shelter.

A REMINDER TO ALL: there are several viruses coming from wildlife and mosquitoes. People should be taking the proper measures to avoid contact with sick wildlife, and keep children and yourselves covered with bug spray that contains DEET, during the **day** and the **evening**. Also **empty** out any **free standing** or **stagnant water** and keep your rubbish barrels covered and secure. I recommend using mosquito dunks in any water that is left for more than twenty-four hours and is not treated with chlorine—like water basins, large animal water buckets and ponds. They are safe for fish ponds as well.

THE ANIMAL CONTROL OFFICER HAS A NEW PHONE NUMBER**. (781)767-9067**.

FOR NUISANCE WILDLIFE: CONTACT JEFF THOMPSON. **(508) 840-8490.**

FOR ANIMAL ADOPTION: GO TO **PETFINDER.COM.**
PLEASE FILL OUT AN APPLICATION BEFORE CALLING.

A special **THANK YOU** to the following businesses for helping with the animals at our shelter by offering free and reduced services as well as dog and cat food:

Dr. John Curtain, Dr. Lauren Curtain and the staff at Abington Animal Hospital
The Copeland Foundation in Milton for their generous donation
Canine College in Holbrook
Dr. Roach and the STOP Clinic
All the citizens of HOLBROOK and AVON that have sent in food, blankets, towels, toys, etc.

A Special Note: We have a donation bin chained to the fence outside the pound. If no one is at the shelter, please put your donations in the bin so they don't get left outside in the bad weather.

Respectfully submitted,

Laurice Hedges
Animal Control Officer

REPORT OF THE AVON HOUSING AUTHORITY

To the Honorable Board of Selectmen, Voters, and Citizens of Avon:

The Avon Housing Authority is pleased to submit its Forty-First Annual Report to the Town of Avon for the year ending December 31, 2013.

REPORT OF THE LIBRARY TRUSTEES

Chairman Wilma Macdonald, Secretary Patricia Olson, Vice-Chairman Charles Comeau

To the Honorable Board of Selectmen and the Citizens of Avon:

We proudly submit the report of the Avon Public Library Trustees for the year 2013.

Highlights of 2013

According to M.G.L. Chapter 78, section 19B, in order to be certified, each library in Massachusetts must expend a reasonable portion of the library's total budget on library materials. In order to be in full-compliance, Avon's portion is determined to be 19.5%.

We are pleased to report that the Library was able to attain this number without applying for a waiver from the state. We would like to thank the Board of Selectmen, Finance Committee and voters of Avon for making this possible.

In 2013, the Library began joining librarians nationwide by developing a community center model where patrons may drink their coffee, see an art exhibit, join a book club or schedule a group meeting—all while getting closer to books.

- In January of 2013, the Avon-Holbrook Daisy Scouts began holding their meetings here on Tuesday nights. They earned their badges and strategized their Cookie Campaign under the direction of Scout Leader, Katie Goldrick.
- Pre-school children enjoyed Friday stories, crafts, music and movement with Miss Marsha. This program in sponsored by Self-Help, Inc. and open to all pre-school aged children.
- Avon's Coalition for Every Student (ACES) continued with their monthly meeting on the second Wednesday of each month. ACES is a federally funded grant to help reduce youth substance abuse and promote positive, healthy decisions by young people in Avon. All interested citizens are invited to attend.

- The Friends of the Avon Library meet monthly to plan activities for Avon residents of all ages. In 2013, the Friends sponsored Arts and Crafts for school-aged children presented by students from AMHS. In April, Gary Pozzato entertained children and their parents with his multi-media space program, *Go for the Stars!* His home-made robot was the hit of the show! In August, children dug for fossils in the Reading Room of the Library in a presentation by the Easton Children's Museum entitled "Fossils." Each child received a brick and tools to excavate their own fossil. Great messy fun! ***Avon Public Library 3rd Annual Vendor Night*** was held in early October. The Library was filled with tables of everything from Tupperware to handmade crafts. This well-attended annual event raised over $700 for the Friends of the Library.
- In honor of Valentine's Day, patrons were urged to "Take a Book on a Blind Date" by borrowing a heart-wrapped surprise book.
- In June, the Library hosted "Brides through the Ages". Patrons shared their wedding pictures from the 1800's to the twenty-first century. The exhibit came to a culmination with a "Bridal Tea" where 20 adults and 5 children enjoyed poured tea and hand-made "crumpets."
- September 8—*Friends of the Boston Harbor Islands* presented "Home on the Harbor" by Kevin Rogers. A small group of attendees was fascinated by the facts and legends of these islands. The Library received three books as part of this Library Legacy Program.
- October—Avon's 125th Anniversary Parade. The Library was adorned with patriotic flags and buntings and became a prime viewing spot for the parade as it wove its way through Town.
- Back by popular demand, FOOD for FINES! Patrons were encouraged to pay their fines in canned and non-perishable food items through December. This program is always a big success and all food collected is donated to the Avon Food Pantry.
- November 30—Paul Tedesco shared his book, *Postcard History of Norfolk County, MA*, which he published with his son, James. The 400-page book is gorgeous and includes some great vintage postcards of communities in Norfolk County. This book was donated to the Library by Avon's 125th Anniversary Committee and is available for check-out.
- December 9—Children's Annual Christmas Party. A half-hour of creative crafts was followed by a pictures with Santa. The Christmas tree and the new "crackling log" fireplace made a beautiful backdrop for pictures.
- December 21 and 22—the annual Patron Appreciation Brunch. Patrons enjoyed snacks, coffee and conversation with the Trustees, staff and Friends of the Library to thank them for their continued support.
- **Avon Library Night at the Providence Bruins** has become a great success with many families taking advantage of these half-price tickets. The seats are great and games are focused on family fun!

Staff

- Library staff continued to attend workshops, webinars and their respective committee meetings.
- In September, The Black Belt Librarian, Warren Graham, presented a program sponsored by ACES. Mr. Graham explained how to easily set clear expectations for patron behaviors and set up guidelines for when and how to intervene when someone becomes unruly. This workshop was attended by Library personnel from many towns and cities in southeastern Massachusetts. Thank you ACES, for sponsoring this pertinent presentation.

- Elise Struble has been appointed Editor and Chief of the "Avon Public Library Newsletter." Copies of the newsletter are available at the Library at the beginning of each month.
- Assistant Librarian, Ann Fogg, met with tech-savvy "seniors" at the COA to help them with their computer skills. This program lasted for several weeks and continued here at the Library for several more weeks. All are looking forward for classes to begin in the spring.
- The Director, Karen Johnson, met with recently appointed superintendent, Paul Zinni to discuss a partnership with Avon Public Schools and the Library. She also conducted a demonstration of the improved OCLN website and databases to Butler School teachers.
- Circulation Assistant, Alex London, graduated from Simmons College with a Master's degree in Library Science and Technology. He will receive his diploma with his class in May of 2014.
  Circulation Assistant, Thadeous Washington, completed his courses in Graphic Design and will receive a Bachelor of Arts degree from Bridgewater State University in May, 2014.
  Congratulations to both of these young men.
- In December, the Trustees hosted a holiday party for the staff. Great food and great conversation.

Freading eBooks—The Library has joined libraries throughout North America that offer the innovative Freading™ eBook Service. The service will allow patrons to increase the size and diversity of its collection by offering access to tens of thousands of books, none of which require the patron to wait in line to download. https://avonpubliclibrary.freading.com

Freegal Music—The Library also offers Freegal Music through which patrons can access to over 3 million songs including Sony Music's catalog of legendary artists.
Avon Library card holders can download 4 Freegal Music tracks in the MP3 format each month at no cost via https://avonpubliclibrary.freegalmusic.com.

Bailey the R.E.A.D. Dog visits the Library every month with her friend Wendy Rapson. Bailey is certified through Scituate-based nonprofit organization Dog BONES (Dogs Building Opportunities for Nurturing and Emotional Support). During the "Read to a Bailey" program, children go into a room with Bailey, Wendy and a book of their choice. The Bailey lies quietly on the floor and listens. The purpose of the dog? They are not judgmental. Children can sit and read, they can make as many mistakes as they like, and Bailey does not correct them.

The Trustees and staff are always open to suggestions and ideas for programming and activities.

In closing, the Trustees would like to thank the Board of Selectmen, Town Administrator, Town Accountant and Finance Committee for their continued support, and the Library staff for being wicked awesome. Lastly, we would like to thank the residents of Avon for their continued support at Town Meeting. It is a pleasure to serve you.

REPORT OF THE AVON SCHOOL COMMITTEE

The Avon School Committee presents to the residents of Avon this annual report for school year 2012-2013. The Committee's work is to support the mission of the Avon Public School District: "To Educate All Students to be Life Long Learners and Responsible Citizens in A Global Society." This work is for the purpose of providing the students with an education that is comprehensive and one that holds each student to high standards of excellence. The October 1, 2012 enrollment report shows a student enrollment for the 2012-2013 school year at 747.

The Avon School Committee is comprised of five members who are elected by the Town with staggered three year terms. The committee generally meets twice a month at Avon Middle/High School in the media center to conduct business. These meetings are open to the public. The meetings can also be viewed on the local cable network and on the school website both live and on demand. Dates and times of these meetings are posted at the Town Hall, in the school buildings, and on the School Department website at www.avon.k12.ma.us.

In addition to the bimonthly meetings, members of the committee also serve on subcommittees that meet on an as needed basis. Those committees include a Budget Subcommittee, a Personnel Subcommittee, a Maintenance Subcommittee, a Policy Subcommittee, and an Insurance Subcommittee. Work of the subcommittees varies depending on the needs of the district.

The Budget Subcommittee worked with the Superintendent of Schools in the preparation of a budget request which would be presented to the residents at the Annual Town Meeting in May. The subcommittee and the full committee spent much of their meeting time during the winter and spring months working with the superintendent and administration to develop an operational budget request for the School Department. At the Annual Town Meeting in May, the requested budget was approved.

The 2012-2013 school year began with a walk through of the buildings on August 27, 2012. Traditionally, the School Committee spends time in each building before the opening of school to review the status of the facilities. The School Committee determined that the facilities are in very good condition due to the on-going generosity of the Town budget, periodic improvement projects and the hard work of the maintenance, custodial and administrative staff.

During the fall of 2012 the superintendent provided the School Committee with information relative to two new initiatives that will substantially impact the operations of all school districts in the Commonwealth: the Partnership for Assessment of Readiness for College and Careers (PARCC) and the Educator Evaluation System.

On June 1, 2013, the Avon School Committee awarded diplomas from Avon High School to fifty-three graduates.

During the winter of 2013, after 30 years of continuous service, John Nolan, Chairperson, indicated his intent to step down from the School Committee at the end of his term. Carol Marinelli assumed the responsibilities of the Chairperson and Sharon Marble filled the seat left vacant by Mr. Nolan in April of 2013.

The Avon School Committee would like to express its gratitude to Ryan Sinclair, the student representative to the School Committee, for his input at meetings. The committee would also like to recognize the work of Virginia Meany and Diane Green, who serve as secretary/recorder of School Committee proceedings.

The Avon School Committee acknowledges the complex work of School Department operations. That work was accomplished through the leadership of Superintendent of Schools, Dr. Margaret Frieswyk, the administrators, faculty and staff as well as the continued support of the residents of the Town of Avon.

REPORT OF THE SUPERINTENDENT OF SCHOOLS
Mr. Paul Zinni
School Year 2012-2013

Superintendent Paul Zinni

To the Residents of Avon:

On August 29, 2012, the 2012-2013 school year opened very smoothly. The work of the Avon Public Schools is guided by the Mission Statement: "To Educate all Students to be Life Long Learners and Responsible Citizens in a Global Society." This is very exciting work. As your Superintendent of Schools, I share with all of you this awesome responsibility of educating our young people. This complex task requires the cooperation and support of an entire team and an entire community. Thank you to each of you who helped to shape this school year and who contributed to providing a world class education for all the students who attend the Avon Public Schools.

As a result of legislative activity and new procedures developed by the Department of Elementary and Secondary Education, several initiatives were enacted during the 2012-2013 school year. The School Department fully implemented a Bullying Prevention and Intervention Plan in response to MGL c71 section 370. A new educator evaluation system development during the 2011-2012 school year was piloted by over 50% of the staff in each building. The Common Core Curriculum Standards were fully integrated into the Avon Public School's curriculum and have been incorporated into daily teaching and learning.

During the summer of 2012, the administrative team revised the District Improvement Plan (DIP). The vision, mission, guiding beliefs, goals, objectives and actions steps are posted on the district website and are what drives all programmatic and budget decisions. Additionally in September, IParent was fully implemented in both buildings. This electronic system provides parents with progress reports, report cards, and the overall academic progress of their children. This comprehensive tool has helped to diminish the paper distribution of academic reports and to provide parents with ongoing, up to date academic progress of their children.

During the month of September, the Commonwealth of Massachusetts released the results of the Massachusetts Comprehensive Assessment System (MCAS). The analysis of these scores by the Avon Curriculum Team drives curriculum decisions and instructional and assessment practices. An outcome of high performance on the MCAS resulted in seventeen students qualifying for the John and Abigail Adams Scholarship. This scholarship entitled these high performing students to four years of free tuition at a Massachusetts state university or two year community college.

Several state and federal audits were conducted during the 2012-2013 school year. These audits are intended to assure that programs and practices meet state and federal regulations and are of high quality. The district received notification from the Department of Elementary and Secondary Education (DESE) informing it of the determination of Level 1 (meets requirements) regarding the federal accountability requirements for special education programs and services. Additionally at Avon Middle High School, the staff and administration continue to prepare for a New England Association of Schools and Colleges (NEASC) visit in October of 2013. For approximately two years prior to the site visit, the school engages in a comprehensive self-study of its practices based on the NEASC standards. During the 2012-2013 school year, the Avon Middle/High School completed year two of that process.

The accomplishments of the Avon Public Schools do not end in the classroom. Athletes brought pride to the district both on the fields and on the court. Panther pride is more than just a score at a game. The students of Avon exemplify good sportsmanship and team spirit at every event. The district is very proud of all of the accomplishments of each and every player and coach and commends them for a job well done.

In April of 2012, a public forum on the FY2013 School Department budget was held. The purpose of the public forum on the budget was to provide the community with detailed information about the School Committee's budget request that ultimately came before the voters at the Town Meeting in May. The complete text of the public forum on the budget was also on video on the Avon Public Schools' website.

During the 2012-2013 school year, in an effort to better communicate with the community, Superintendent Margaret Frieswyk published a quarterly newsletter. Additionally, the School Department kept the district, building, and classroom websites up-to-date. On an ongoing basis, the School Department shared news and upcoming events through an electronic messaging system.

Due to the hard work of a strong administrative team, numerous accomplishments were realized during the 2012-2013 school year. To learn more about these accomplishments, you are encouraged to read the department and building reports that follow. They are indicative of the many projects, specific activities and events at each school and in each department.

Thank you to each active participant who helped to shape this school year and who contributed to a bright future for the children and families of the Avon Public Schools. Through your continued support, the children of Avon continue to receive a world class education designed to create lifelong learners and responsible citizens in today's global society.

Respectfully submitted,

Paul A. Zinni, C.A.G.S.

RALPH D. BUTLER ELEMENTARY SCHOOL
REPORT OF THE PRINCIPAL
2013

Principal Darrin B. Reynolds

To the Residents of Avon:

Now in its forty ninth year of operation, The Ralph D. Butler Elementary School opened its doors to begin the new school year on August 29, 2012. As of October 1, 2012 our enrollment was 405 students in Preschool through Grade 6.

Our teaching staff consists of forty-five teachers and instructional assistants. There are currently three classes of students at each grade level, first through sixth grade. Our NAEYC Accredited Early Childhood Program consists of two half day sessions of preschool, two half day sessions of kindergarten, and one full day session of kindergarten. We consider ourselves very fortunate to maintain manageable class sizes that range from sixteen to twenty two students per classroom.

Employees of the Avon School District are provided with challenging on-site professional development opportunities and are encouraged to attend pertinent out-of-district conferences and training programs. Many of our teachers and staff are enrolled in graduate level courses through various colleges and universities. Through their example, the faculty of the Ralph D. Butler Elementary School promotes the district's mission, "*To Educate all Students to be Life Long Learners and Responsible Citizens in a Global Society.*" In addition, we have hosted a number of pre-practicum students and student teachers from Stonehill College and Bridgewater State University.

While becoming experts with the Common Core Curriculum State Standards for English Language Arts and Mathematics, our teachers continue to provide a nurturing environment for our children to learn. The Butler faculty regularly updates its rigorous curriculum. We consider innovation in the classroom as a key component to students' success, as proven by our strong MCAS scores.

The Ralph D. Butler Elementary School Council worked on ways to advance the School Improvement Plan goals through monthly meetings. Our parent organization, the ASA has

continued to be a great support. It remains the hope of the Butler School Council and the ASA to continue to strengthen our home–school partnerships and provided more opportunities for our children to be the best they can be.

We proudly maintain a vibrant Student Council, which consists of students in grades 4, 5 and 6. Students gain membership on the council by recommendation from teachers. The Student Council spearheaded many impactful efforts throughout the school. Student Council led assemblies focusing on "Respect, Responsible and Ready" behaviors. Student Council helped build school pride by conducting multiple fundraisers and drives.

The annual school-wide initiative to promote the love of reading took place over a six week period. All students and staff members were encouraged to record the number of minutes they read each day. Volunteers recorded the information and moved markers, with participants' names on them, from bronze, to silver, to gold as each reader accumulated "reading time" to earn a medal in the Butler Reading Olympics. Students and staff were awarded their medals in a special medal ceremony at the completion of the six week period.

A special "thank you" must be extended to the ASA for their continued support throughout the school year. In addition to raising money to fund student fieldtrips and programs, they have provided our students and their families with many opportunities to participate in special events including Ice Cream Socials, the Holiday Workshop, Family Movie Night, and the End-of- the-Year family picnic.

I would like to recognize and thank the outstanding faculty and staff at the Ralph D. Butler Elementary School for their many efforts which make our school an exciting and positive environment for students. I would also like to express my appreciation to the Central Office Administration, the Avon School Committee, and community members for their continued assistance and support.

Respectfully submitted,

Darrin B. Reynolds

AVON MIDDLE-HIGH SCHOOL
REPORT OF THE PRINCIPAL
2012 - 2013

Elizabeth York

To the Residents of Avon:

Avon Middle High School welcomed back students, parents, and staff to the 2012-2013 School Year on August 29, 2012. The year began with an enrollment of 350 students in grades 7 through 12. Seven new teachers joined the faculty over the summer: Ms. Alexa Divadkar, French; Mr. Joseph McAteer, math; Mr. Joseph Regonlinski, special education; Ms. Patricia Campos-Duggan, Spanish; Mr. Thomas Speroni, chemistry; Ms. Christina Forest, special education, and Ms. Aimee McAlpine, computer technology.

September was marked by the kickoff of the YMCA Fitness Program. Throughout the 2012-2013 School Year, the school's fitness room was supervised by a certified YMCA staff person during posted hours after school each week. The program was free for students and funded by grant money. In addition to the afterschool program, on half days, students were transported to the Stoughton YMCA for an afternoon of supervised fitness and recreation. This program was also generously funded by grants. Both of these fitness programs were filled to capacity throughout the year, and often had waiting lists.

In September of 2012, Mrs. Patricia London, AMHS Librarian, coordinated the All School Book Day for *The Hunger Games*, by Suzanne Collins. This was a successful day that engaged the interest and attention of students in grades 7-12, as they attended faculty-led seminars that culminated in an all-school celebration of the novel at the end of the day. Ms. London also coached a successful Academic Decathlon team, which reached the state semi-finals in February, 2013. The AMHS Library continued to be a hub of reading, writing, and thinking for the school, as it hosted not only Acadec, but also Diversity Club, Book Club, and College Chat luncheons for juniors and seniors.

Avon Middle-High School faculty spent the School Year preparing not only for their daily lessons, but also for the NEASC Visiting Committee accreditation visit scheduled for October, 2013. Just as they had during 2011-2012, the teachers met frequently in committees to prepare the various reports and work samples necessary for the self-study portion of the visit. As a result

of their work, the reports were completed in July, 2013. Another result of the self-study was the creation of the school's Advisory Program, which began in February. Each Advisory is a group of students who meet weekly with a teacher to talk about issues that are important to the community, to the school, and to teenagers in general. The Advisories generated the ideas that eventually led to the burying of the AMHS time capsule on June 10, 2013.

In February, the school once again hosted ten (10) visiting students from the Chinese Province of Yunnan where they attend #1 Middle School of Wenshan. Families of Avon Middle High students graciously opened their homes to the Chinese students who ranged in age from 15 to 18 years old. The visiting students were sponsored by the Massachusetts International Academy. While visiting our school, students attended regular classes and visited classes at Butler Elementary School. This was a valuable global experience for the school.

The AMHS Music Department participated in five performances throughout the 2012-13 School Year. The band performed at the fall pep rally, the Winter Concert, the Evening with the Arts (along with Music Technology presentations), the spring Concert, and graduation. The band was joined by the chorus at the winter and spring concerts, as well as by keyboard and guitar students at the Winter Concert.

The AMHS Visual Art department had success in the prestigious annual Boston Globe Scholastic Art Competition, bringing in several awards: One National Silver Medal (the top 1% in the nation!), three Gold Keys, two Silver Keys, and three Honorable Mention awards. It is worth noting that there were almost 15,000 entries, from Massachusetts alone, in 2013! AMHS art students also exhibited in the 2012 Massasoit Arts Festival held in May. We continued our annual exhibition of student art for the month of April at the Avon Public Library reading room. Art students also visited the Isabella Stewart Gardner Museum, the deCordova Museum in Lincoln, MA (a trip made possible by a grant from the Avon Cultural Council), and the Scholastic Art Exhibition in Boston, along with a visit to the Institute of Contemporary Art, also in Boston.

The AMHS Drama Club presented *Twelve Angry Jurors* as its fall play, and *You're a Good Man, Charlie Brown* as its spring musical. More than sixty students from both the Middle-High School and the Butler Elementary School participated in the drama program throughout the year. Our annual Evening With the Arts, in its 16th year, included the exhibition of over 250 works of Visual Art (Sculpture, Drawing, Painting, Digital Art), dance and drama performances, an advocacy table for creativity run by MassCreative, an Origami table run by the Math Department, as well as a Victorian Tea (sponsored by the Social Studies Department and the library).

On June 1, the graduating class of 2013 included forty-three students. Thirty-five of these graduates, or 83%, intended to continue their education at a two-year or four-year vocational school or college. More than 30 awards and scholarships were presented at the graduation ceremony. This was to be the last graduation at which Principal Sharon Hansen officiated; on June 30, she retired after seven years of service to Avon Middle/High School. On July 1, Elizabeth York, formerly Assistant Principal of Unified Student Services at Attleboro High School, became the new principal. Along with Neal Klayman, Assistant Principal, she continued the preparations for the October NEASC visit that were so ably begun by her predecessor and the faculty.

AVON MIDDLE HIGH SCHOOL
REPORT OF THE ATHLETIC DIRECTOR
MR. JOSEPH DONOVAN

The boys' varsity basketball team, under the direction of Coach Joseph Donovan, finished the season with a winning record, and once again qualified for the State Tournament. The junior varsity boys, coached by Jeff Mckearney played well despite their youth and inexperience, while Ric Dockendorff led the JV2 boys to another good season.

The girls' varsity basketball program continues to rebuild with young talent. Coach John MacFarlane led his team through a year of adversity highlighted with a win over league champions West Bridgewater. Coach Karen McCarthy continues to work hard with the JV girls' team, focusing on the fundamentals the girls need to become varsity players.

The cheerleading squad had another successful season under Coach Colleen Meany. This was Colleen's final season and an end to a great run as Avon Middle/High School's cheerleading coach and we thank her for her service.

Although there has been interest, we have not had the numbers we need to safely have a hockey team. This year, like last year, we will continue to look for ways to bring back our varsity hockey program.

In the spring, the baseball team had an amazing season winning 20 games—finishing 2nd in the Mayflower small division and advanced to the quarterfinals before losing to Monomoy 1-0.

Coach Ric Dockendorff has his team going in the right direction, accomplishing both team and individual goals; beating West Bridgewater for the first time in a decade and coaching league MVP Chris Mitchell along with league all stars Zach Churchy and Sean Manning. The boys JV team was coached by Joe Regonlinski. He had a very young team and competed hard against mostly older JV competition.

The varsity softball team, coached by Karen McCarthy, had another outstanding season, making a deep run in the state tourney before they eventually lost to Bristol Plymouth. The girls were led by the pitching of Maggie Hoffman and outstanding play of Jen and Chris Crane.

In the fall, the varsity volleyball team worked hard and improved on their record from last year. First year varsity coach Kristina Nilsen got the most out of a young and inexperienced squad. Karen McCarthy did an outstanding job, coming out of retirement to coach the JV girls this

season. Sophomore Shannon Sinclair earned league all star recognition for the volleyball team this season.

On the football field the Avon-Holbrook Bulldogs finished a difficult season with a young team. The Bulldogs finished the season with 1 win, but are looking to reload for next season.

On the soccer field our JV boys' soccer team took a step in the right direction, going 6-8 and continuing to build towards a varsity team. If the numbers of high school age boys continue to move in the right direction, then we will be back to a varsity program in the near future.

The varsity girls' soccer team had an outstanding season, finishing in 2nd place in the Mayflower Comprehensive Division. First year Coach Jeff McKearney led the team to the 3rd round of the state tournament before losing to West Bridgewater. The girls were led by a trio of junior stars—Kayla McKenny, Nicole Berry, and new all time Avon girls soccer scoring leader Maggie Duggan who netted her 76th all time goal this season. The girls also got a huge contribution from all-scholastic sweeper Gina Early-Ashby.

The Avon Panthers' coaches and players are continuing to work hard and improve their skills and be better sports on the field and court. Go Panthers!

REPORT OF THE DIRECTOR OF PUPIL SERVICES
CHRISTINE GODINO

To the Residents of Avon:

The position of Director of Pupil Services continues to be responsible for the oversight of curriculum design and implementation, professional development, special education services, system-wide and building specific grants, guidance and psychological services, early childhood education, Title 1 services, and health services for the Avon Public Schools.

The Commonwealth of Massachusetts, during September of 2012 released its fifteenth set of Massachusetts Comprehensive Assessment System (MCAS) scores to the Avon Public Schools, as well as the other school districts throughout the state. These scores were disseminated from the Superintendent's office to the Director of Pupil Services and Building Principals. A comprehensive data analysis was conducted by the Director of Pupil Services and the results were shared with the building staffs. This analysis, along with building level reviews, has been and continues to be used to design individual action plans for each building. Beyond the building level, this information was also utilized by the Avon Curriculum Team (ACT) to continue developing a strong district curriculum which is accessed and implemented by the entire educational staff of Avon. This curriculum is electronically available to all teachers, with a direct link to their classrooms. The Director of Pupil Services will continue to work with the Building Principals and Avon Curriculum Team to further analyze the data, interpret the results, and review curriculum design and implementation in an effort to continue improving the educational process for the children who attend the Avon Schools.

The Title 1 grant and special education programs are coordinated through the office of the Director of Pupil Services. Title 1 reading and mathematics services were provided to students in grades kindergarten through six at the Butler School. Assistance to struggling learners was offered directly in the classroom through an in-class or inclusive model of instruction. Special education services continue to be available to children from age three through age twenty-two. These services are available at both school sites. At the Ralph D. Butler Elementary School there continues to be inclusive programs offered at all grade levels and a special education learning center. The Middle/High School offers special education services through a variety of options, including a vocational program, which emphasizes life skills and job coaching/preparation. Special education services, at all levels, include the availability of

learning centers, speech/language services, alternative education services, inclusive programming, occupational therapy, physical therapy, counseling and remedial/parallel curriculum support. Parents are encouraged to be involved in both Title 1 and special education programming. It is through parent associations, the Special Education Parent Advisory Council (SEPAC) and the Title 1 Parent Support Group that parents are kept abreast of fiscal, legal and programmatic information regarding special education and Title 1 services. A "Pupil Services" link to the Avon Public School's website continues to provide a variety of information and resources to both parents and the community. Additionally, both child find and screening practices are administered through the office of the Director of Pupil Services. All children residing in Avon, who are of preschool age, are notified of optional screening opportunities available in the spring of each school year. Any children who register for the preschool program are required to participate in a screening process held during the summer before they attend the program. Children, who are of kindergarten age, participate in a mandatory screening prior to when they enter kindergarten. Additionally, any person between the ages of sixteen and twenty-one who has dropped out of school may contact the Director of Pupil Services or the Avon High School Guidance Office for assistance in planning for the completion of a high school education.

The writing of grant applications and their management are the responsibility of the Director of Pupil Services. In September 2012, the Avon Public Schools was notified of its state and federal grant awards which totaled $340,885.00 for the 2012-2013 school year. Grant funds are intended to supplement the operating budget of the school system. Grants awarded to the Avon Public Schools support such ongoing projects as the safe and drug free schools initiative, enhancing education through technology, professional development, MCAS tutorials, health services, special education services, early childhood education, Title 1 support for struggling learners, improving educational quality, and after school enrichment.

Professional Development activities for the staff are coordinated by both the Director of Pupil Services and the building administrators, in conjunction with the Avon Curriculum Team. The staff has attended both out-of-district and in-district training opportunities at all grade levels and in a variety of content areas. Targeted content areas and areas of need have been identified in the School District's Action Plan. During the 2012-2013 school year, staff participated in a variety of in-service opportunities including but not limited to the following topics: mentor teacher training, writing across the curriculum, techniques to decrease student bullying, special education law, restraint training, civil rights, differentiating instruction for diverse learning needs, integrating technology into the classroom, integrating 21st century skills into the classroom and effective mathematics instruction. In addition to the courses offered in district, through relationships with neighboring communities, the Avon teaching staff has participated in a variety of courses and workshops offered at other districts' school sites.

The Avon School System has established a strong relationship with Stonehill College, which is located 10 minutes south of this community. Each year, a number of students complete their student teaching internships at both the elementary and secondary levels. Numerous sophomores and juniors have also completed their pre-practicum experiences in the district. Additionally, during the 2012-2013 school year, the Avon Public Schools was host to several Bridgewater State College students, who, like the Stonehill students, worked in the schools to complete internships.

I have had the opportunity to work with a variety of students, staff members and parents, from all grade levels. No matter where I go in Avon, or who I am with, the Avon Public Schools' vision for education is reflected. It has been a pleasure to work in this community and to serve with

such a caring and professional group of people. I look forward to the months ahead as the school district continues to work toward fulfilling its mission "To educate all students to be life long learners and responsible citizens in a global society."

REPORT OF THE COORDINATOR OF TECHNOLOGY
Scott T. Hulien

To The Residents of Avon:

Mobile devices and how to use them are a daily part of our students learning process at Avon Public Schools. Mobile technology is essential for our students. All of us are connected with some mobile technology. Technology in the world keeps everyone informed and educated. It is essential for our students who are global learners to stay connected to the world around them.

The Avon Middle High School has a few mobile carts, netbooks, ipad, nooks, etc… Students and teachers can access the internet, using google docs to maintain the rigorous curriculum provided by our administration. Students are able to use google docs for their assignments, and homework. We have provided online testing using common core aligned assessments for math, reading and language arts.

The Butler Elementary School has an Enterprise WiFi system providing seamless connectivity throughout the school building. The students at the Butler are also using google docs as well as the online assessments. The Butler School also has mobile carts, netbooks, and mini ipads. This mobile technology along with continued connectivity is essential for our students. The Massachusetts Department of Elementary and Secondary Education is preparing for a statewide online assessment for public schools throughout the state, and the Avon Public Schools is scheduled to participate in a field test (trial run tests) during the spring of 2014.

Some of the mobile technology resources available in the Avon Public Schools are netbooks, nooks, ipads, mini ipads, laptops and WiFi printers. These resources are providing connectivity for our students' essential learning in the 21st century. As the Technology Coordinator for the Avon Public Schools I will continue to plan the advancement of technology in our schools.

Please visit our school district's website http://avon.k12.ma.us for updated information.

REPORTS OF THE BLUE HILLS REGIONAL TECHNICAL SCHOOL

The Blue Hills Regional District School Committee is pleased to submit its Annual Report to the residents of the Town of Avon.

Blue Hills Regional Technical School continues its steadfast commitment to providing the highest caliber academic and vocational instruction to district students in grades nine through twelve, and to those receiving postgraduate training. The nine towns in the district include Avon, Braintree, Canton, Dedham, Holbrook, Milton, Norwood, Randolph, and Westwood.

Mr. James P. Quaglia is the Superintendent-Director of Blue Hills Regional Technical School. Mr. Francis J. Fistori serves as the Avon representative on the Blue Hills Regional District School Committee. The Committee meets on the first and third Tuesday of each month at 7:00 p.m. in the William T. Buckley District School Committee Meeting Room (Room 207A) at the school at 800 Randolph Street, Canton. The public is invited to attend.

Late in 2004, Governor Mitt Romney announced the inception of the John and Abigail Adams Scholarships, which are given to high school students in recognition of their outstanding MCAS scores. The scholarships entitle the recipients to four years of free tuition at any University of Massachusetts campus or any participating state or community college in Massachusetts. Fifty students in the Class of 2013 earned Adams Scholarships including Joshua Edwards, Andrew Sullivan and Devin Thornton of Avon.

Eighty-two Blue Hills Regional Technical School students participated in the SkillsUSA District III Championships held on March 15, 2013 at Greater New Bedford Regional Vocational Technical High School. SkillsUSA is a national organization for vocational students which hold competitions in scores of technical categories at the local, district, state, and national levels. The students collectively brought home 18 medals and deserve tremendous credit for their hard work, expertise and dedication. The SkillsUSA Chapter Advisor is Mr. Robert Foley.

It was another stellar year in sports for Blue Hills Regional. The school earned the Mayflower Athletic Conference Sportsmanship Award and the prestigious MIAA District D Sportsmanship Award. Athletic Director/Head Football Coach Edward Catabia was honored with the Eastern Mass. Association of Interscholastic Football Officials Award for Coach of the Year. The football team was Mass. Vocational Bowl Small School Champion and Co-Conference Champion. The girls' basketball team had an impressive 20-0 record and was Conference Champion. Girls' basketball Coach Tom McGrath was Coach of the Year, Boston Globe Coach of the Year, and MBCA Coaches Association Coach of the Year. In ice hockey, the team was Conference Champion; Austin Carrel of Avon was an All-Star; Josh Edwards of Avon was League MVP; and he reached 200 points for his career. In baseball, Nick Roche of Avon pitched four shutouts. Blue Hills Regional takes great pride in all its student-athletes and coaches and congratulates them for their dedication and hard work.

Each month on the home page of the school's website, www.bluehills.org, two Students of the Month are featured. They typify the very best of what Blue Hills is all about—outstanding scholarship, great school spirit, excellent attendance record, and they are respected by peers and faculty alike. Avon students chosen for this recognition in 2013 were Josh Edwards and William Kiernan.

At the Senior Scholarship and Awards Night on Wednesday, May 22, 2013, dozens of seniors received scholarships, tool awards and grants. Blue Hills Regional is grateful to all the individuals and various civic and municipal organizations that generously recognized these deserving young men and women.

On November 19, 2013, Blue Hills Regional hosted its annual Open House. This event allows the public to visit classrooms and vocational areas, speak with students, teachers, and administrators. It enables a firsthand appreciation of the variety of vocational training opportunities offered, and the extensive resources that Blue Hills provides for its students.

As of October 1, 2013, total enrollment in the high school was 842 students. There were 45 students from Avon.

The Class of 2013 graduated on Wednesday, June 12, 2013. Superintendent-Director Quaglia told the members of the Class in his address to them, "Now, you can set your own course. You will have to ask yourself what is important and then do everything you can to achieve it**."**

Thirty men and women graduated from the Practical Nursing Program (Postsecondary Programs Division) at its 24th Annual Commencement at Blue Hills Regional on Wednesday, June 26, 2013. There was one graduate from Avon—Heather Capuzzo. This superb program earned accreditation from the Council on Occupational Education in 2012.

Capital improvements were made: repairing and remodeling the indoor pool area, including new HVAC and lighting; new baseball and softball fields, with new fencing dugouts and backstops; and refurbished and modernized lecture hall with new seating, sound system and projection.

Blue Hills Regional is proud to offer various services (Cosmetology, Culinary, featuring our in-house, student-run restaurant, the Chateau de Bleu, Early Education and Care, Construction Technology, Graphics, Design and Visual Communications, Electrical, Metal Fabrication and Automotive) to district residents—and in some cases, the general public—from a variety of technical programs. This practice allows students to utilize their training in practical, hands-on situations that augment their classroom work. Furthermore, these professional-quality services are available at well below commercial cost. Over the years residents and civic or municipal groups in the Town of Avon have saved considerable money by having Blue Hills Regional students perform work for them.

REPORT OF THE AVON CULTURAL COUNCIL

To the Honorable Board of Selectmen and the Residents of the Town of Avon:

The Avon Cultural Council is responsible for making available state funding for Avon programs promoting the Arts, Humanities and Interpretive Sciences as described in the Massachusetts Cultural Council guidelines.

Our state allotment for this current year is $4,250.

At our Annual Fall Meeting the members approved the following programs:

Butler Elementary School Trips: grade 1, grade 2, and grade 5 are going to the Berklee Performance Center; grade 4 will be attending a program at the Museum of Natural History and grade 3 will be going to the Boston Symphony Hall.

This year the Kindergarten class will be at the John Hancock Hall for the Paper Bag Players show Hiccup Help.

Avon Middle/High School students have scheduled a trip to attend the Huntington Theatre Company student matinee performance of *Becoming Cuba*.

Avon Brownie Troop #65044: will be doing the Boston Duck Tour.

Friends of the Library: The Whalemobile is coming to the library to present an informational program and interaction exhibit geared for children.

Avon Council on Aging has scheduled a variety of programs for the upcoming year.

The members of the Avon Cultural Council would like to thank the Board of Selectmen and the Avon townspeople for their continued interest and support.

REPORT OF THE BOARD OF ASSESSORS

Administrative Assistant Susan Monahan and Assistant Assessor David Wood

The Board of Assessors consists of three elected members who serve a three year term. Warren B. Lane is the Chairman; Cynthia A. Bernasconi is the Clerk and Patricia A. Hatch is the Associate. David Wood serves the board and the town as Assistant Assessor and we just welcomed Susan Monahan to our staff as Administrative Assistant.

The Board of Assessors is responsible for setting the property values in Avon, reviewing and acting on abatement applications (real estate, personal property and motor vehicle) and exemption applications (blind, elderly, veteran and widow).

The Massachusetts Department of Revenue requires a full and fair cash value be set for all property in the Town (residential, commercial, industrial, and personal property) every year. The FY 2014 values are based on arms-length sales that closed during calendar year 2012 and what existed on the property as of January 1, 2013. The Town completed its triennial certification by the DOR for FY2014. The next certification will come in FY2017.

The average single family home assessment decreased very slightly from $265,400 in FY13 to $262,600 in FY14. This shows that the real estate market was level in 2012.

FY2014	**Values per class**
Residential	$401,332,731
Commercial/Industrial	$286,029,569
Personal Property	$ 61,740,733
Exempt	$ 47,552,000
Town Taxable Value	$749,103,033
Total Town Valuation	$796,655,033

The Board of Selectmen chose to use a factor of .675 in setting the tax rate. The Board of Selectmen voted to grant the ten percent small commercial exemption to qualifying businesses. The tax rates were approved by the Division of Local Services.

Fiscal Year 2014 Tax Rates:

Residential	$15.91
Commercial/Industrial	$32.45
Personal Property	$32.41

Property owners are encouraged to review their property information and assessments through the Town Website www.avonmass.org.

REPORT OF THE ZONING BOARD OF APPEALS

To the Honorable Board of Selectmen, Voters, Residents and Taxpayers of the Town of Avon:

The Town of Avon Zoning Board of Appeals submits this report to the Town of Avon for the year ending December 31, 2013.

The composition of the Town of Avon Zoning Board of Appeals consists of five members and two associate members. All members are appointed by the Avon Board of Selectmen as provided in Section 12 of Chapter 40A of the General Laws. The five-member board consists of representatives from the Avon Planning Board, Avon Board of Health and Avon Fire Department, with two members at large (Section 12-8, Paragraph C of the Avon Zoning Bylaw as amended). **The Avon Zoning Board is currently looking for alternate members**.

The Town of Avon Board of Appeals hears and acts on applications for special permits and variances which are exceptions to the Town of Avon Zoning Bylaws to allow the applicant to make use of his land, erect and maintain buildings or other structures as provided in the Table for Use Regulations in said bylaw and terms of the applicable portions of the Town of Avon Zoning Bylaws, always adhering the provisions of the law (Chapter 40A, G.L.).

During the course of 2013 the Board was presented with 7 cases for hearings which are usually held on the 1st Monday of each month. The Procedures and Application are available to print out on the Town website. Following is a list of cases presented before the Board of Appeals in 2013:

Hearing Date:	Address	Granted / Denied / Withdrawn
February 2013	291 Pond St. / 30 Bodwell St.	Granted
April 2013	106 West Spring Street	Granted
May 2013	103 Central Street	Granted
October 2013	394 West Main Street	Granted
	298 Page Street	Granted
	1 Harrison Blvd.	Granted
November 2013	6 Brentwood Avenue	Granted

In closing, this Board wishes to thank Building Inspector Robert Borden for his attendance and assistance at hearings, Board of Selectmen, Town Clerk and Treasurer V. Jean Kopke, Town Administrator Michael McCue and clerical staff for the support they continue to provide our Board. Our sincere gratitude is also extended to the members of our community for the confidence they place in the Zoning Board of Appeals to deliberate on projects submitted for its review. All approved projects promised to enhance, blend and improve our Town.

Respectfully submitted,

Peter V. Crone, Chairman
Charles P. Comeau, Member (Planning Board)
Gerald E. Picardi, Acting Clerk (Board of Health)
Edward R. Mekjian, Member
Kevin J. Foster, Member (Fire Department)
